2/1/2013  6:35 I can see that there are lots and LOTS of you following this feed. Brilliant.
2/1/2013  6:38 @WhatNotToWear13 no, I am definitely NOT hacked. This is me tweeting from my account.
2/1/2013  6:40 Now, surely, I could not reply to each of the messages you are all tweeting, but let me try a few.

2/1/2013  7:00 @Lady_Noga Yes, I would give you a chance. Why wouldn't I. I suppose some people use their fame to be selfish, but I see no reason for that.

2/1/2013  7:02 @abbyhamblin Doesn't my status say that? Yes.

2/1/2013  7:14 @VinceRodino how about what now? My fingers can barely keep up with all these tweets. It's like nothing I've ever seen!
2/1/2013  7:15 Maybe I should just say: I love you all followers, except maybe the people who are tweeting nasty things about me right now.
2/1/2013  7:16 Although being a celebrity, I suppose I have the magnanimity to love even those who spew forth twitter hate!
2/1/2013  7:17 RT @bluecupcake416: @spencerpratt I love you â™¥ RT if you see this tweet :P
2/1/2013  7:18 @RupaliJain96 dear me, you are insistent. Didn't I reply to you already? Or did you want a retweet?

2/1/2013 7:54 This rt-ing is wearing out my thumbs. Perhaps a challenge is in order: rt's only for haikus
2/1/2013 7:56 RT @petershaw1984: @spencerpratt do you ever get the feeling you are being watched?
2/1/2013 7:57 @_helloimalice_ hey, I heard that.

2/1/2013 8:00 @chantelle_jr oh, all right then. Cheers.
2/1/2013 8:01 @HoranKisses20 it is a bit exhausting.
2/1/2013 8:02 Was that right? #qualitylaugh I've honestly never seen that one.
2/1/2013 8:02 @waterrob lol #qualitylaugh
2/1/2013 8:03 @BakerNikita really? You can do that poorly?
2/1/2013 8:04 @eeevaaa6 or good morning!
2/1/2013 8:05 Well done' @hannahw430: @spencerpratt oh i miss speidi//best reality couple//come back to me please'
2/1/2013 8:07 Though @hannahw430 I believe haiku require a reference to nature.
2/1/2013 8:08 @cassandra1128 not the traditional 5-7-5, but I like it.
2/1/2013 8:08 RT @cassandra1128: @spencerpratt Waiting on the moon To bask in the sun New year
2/1/2013 8:10 They call it the kigo, aka a seasonal reference. Be sure to include at least one. #haikus4rts

2/1/2013 8:14 RT @rachfranklin123: @spencerpratt Spencer and Heidi An interesting couple Life is hard always
2/1/2013 8:15 @hannahw430 are you counting syllables or is this one of the newfangled sort?
2/1/2013 8:17 RT @yoursuchaSKANKK: @spencerpratt winter time is sad summer makes me happy true I’d spend seasons with you
2/1/2013 8:17 @laurenlines do you think llamas might be related to unicorns?
2/1/2013 8:18 @yoursuchaSKANKK can you use / to show your line breaks? Love the enjambment!
2/1/2013 8:19 RT @eeevaaa6: @spencerpratt spencer Pratt is cool/ spencer Pratt is so awesome/ the sky is so blue
2/1/2013 8:20 @SarahAnneJoulie yes, though not everyone subscribes to the syllable count because they are not the same as "on".
2/1/2013 9:26 @yoursuchaSKANKK like it, but line breaks?
2/1/2013 9:26 @MariamElasmar hmm, not quite a haiku. Keep trying. Revision is key!
2/1/2013 9:26 @Pughsley4 so one is possessive; the other a contraction. I hardly think it's difficult to remember.
2/1/2013 9:26 @Norixmaidana that would be a lark!
2/1/2013 9:26 @JodieStarkx there's this unfollow button, luv.
2/1/2013 9:26 @bethanystile1 There's reality/and then there's reality/real as melted snow.
2/1/2013 9:26 @Norixmaidana but I am not in LA.
2/1/2013 9:27 Truly amazing morning. One I will not soon forget.
2/1/2013 9:27 All right. I need to attend to some business. Keep working on your haiku, luv's! Cheers!
2/1/2013 9:27 @md3sai needs a kigo.
2/1/2013 9:27 @daliahendo who is your sister?
2/1/2013 9:27 @JennySo3 It's not just poetry I'm in search of. #haikus4rts please read the guidelines.
2/1/2013 9:27 @katieex33 sweet, though rhyming is superfluous in haiku.
2/1/2013 9:27 @SagitJepperspin kigo or no-go, chap
2/1/2013 9:27 @mirandajaye You are about to do a header into a Limerick!
2/1/2013 9:27 @sandraMosley It feels like the first day of a new life for me. Kisses.
2/1/2013 9:27 @yoursuchASKANKK now no more submissions from you until you add the kigo!
2/1/2013 9:27 @rachfranklin123 what part of Ormskirk? I love it there. Once went to New Park Wood. Delightful!
2/1/2013 9:27 @HeylmFrvrAlone love it!
2/1/2013 9:27 @KassiPowell haikus, please #haikus4rts
2/1/2013 16:10 Thank you to all who tweeted their haiku. Perhaps this evening we can try villanelles!
2/1/2013 16:13 @PaulaColeT wait, what does that mean???
2/1/2013 16:19 @PaulaColeT when is that???
2/1/2013 16:20 @ianthebrush Nice Limerick, but I need villanelles today. Might require multiple tweets, sir.
2/1/2013 16:28 @PaulaColeT I don't know what you have heard about me, but I WILL be tweeting for a long time. Why would I stop this?
2/1/2013 16:29 @ianthebrush a man must have standards, should he not?
2/1/2013 16:30 @Holibarton dear girl, happiest of birthdays to you!
2/1/2013 16:32 It is AMAZING how much stock people put in the twitters of celebrities: follow, rts, etc. are treated like the most generous of gifts.
2/1/2013 16:34 And yet, do celebrities realize what power they wield in 140 characters, the power to bring an emoticon smile to someone's feed? I doubt it.
2/1/2013 16:35 Well, I am hereby asserting that I am a new man on Twitter, like Scrooge after the ghostly visits, a man of generosity and deep good will!
2/1/2013 16:39 If I don't answer your tweets immediately, I sincerely apologize. I have a few matters I'm attending to. A celeb's life! Heidi Montag & all
2/1/2013 16:50 Oh, and clearly I found my phone. It was lost under Heidi's intimates, tremendous as they are. Thanks for the concern.
2/1/2013 17:42 @misslisacarroll hardly, metered forms are some of the simplest. Primary school children churn them out with ease!
2/1/2013 18:03 @abbieebartlett You have been trying that line for a while now. Are you new to last name puns?
2/1/2013 18:04 @misslisacarroll A for effort.
2/1/2013 18:12 @simpletonmail why yes, it is! I tried that this morning and now my fingers are sore!
2/1/2013 18:13 @gemmafinkle a box of frogs! I must write that one down!
2/1/2013 18:16 @DenningC no, I don't believe so.
2/1/2013 18:17 @daliahendo is she on twitter? Why is your handle her name? Why is your profile picture an egg?

2/1/2013 18:23 @daliahendo well, that is all remarkably strange. But, Dalia, enjoy the end of being single. May you be as happy as I am!
2/1/2013 18:41 @abbieebartlett classy.
2/1/2013 18:57 @abbieebartlett You know reality tv is largely scripted. I am not the man you think I am. I attend university, write & read poetry...
2/1/2013 19:04 As Sir Elton sang: I'm not the man you think I am at all. Oh, no, no, no!
2/1/2013 19:15 @Laura_Burns shiz will be f-ed.
2/1/2013 19:15 @Ham_Shivistak why are you shouting, dear girl?
2/1/2013 19:16 @ThePiecesOfE Well, that's up to interpretation, no? Awkward.
2/1/2013 19:22 In the right hands, celebrity Twitter accounts, such as mine, could actually be used to affect positive change in the world. I wonder...
London rocks. Across the pond, they have nothing that can compare!

@JimmyLee1987 then

@djmichaluk19 to match what? I lean Burberry.

@JimmyLee1987 try harder. Correct spelling & & grammar are keys to success in life.

@WhatNotToWear13 Please consult my previous Tweet.

@Angela_Macf I once knew a lovely girl from Armagh. Go Cuchulainns!!

Twitter break to recharge my crystals w my wife Heidi. She's taking a break from reading V Woolf's Waves. Luvs it more than Lighthouse!

I've got to turn in now. Wiped out from London & all this tweeting. But feeling charged enough for Heidi. ;-) Luv to u all. Cheers!

Good morning, London! Good morning, Twitter! I'm back! What shall we tweet about today?

I had the most amazing dream my poem was accepted by http://t.co/ez13dpxF for issue 2! Truly ace!

@critagel oh, I'm much too shy for that!!

@UKKardashDolls great idea! Let me see if Heidi is up for a little shopping!

I came across a notice for The West Port Book Festival in Edinburgh and thought Heidi & I might grab a flight!

@KatzannY my poem is about loss & soulsearching, but I use a metaphor of a tarantula egg.

@LisaBanks88 'buried in a burrow/ no hatchlings awake/ the web breathes still'

@patrickmirani I recommended Invisible Cities yesterday morning. I would add 'House of Leaves' and 'Rayuela' (Hopscotch).

Of course, being Spencer Pratt has no impact on my ability to place poems! I must slog away at my craft like everyone else!

@patrickmirani I have been on a bit of a metfiction binge lately. Tweet me if you enjoy them as much as I did.

@ChrisOsmoreNY and even in translation, his prose is so beautiful. (I can't read Italian.)

@CoreOrange thank you! I want to put together a chapbook, too. Maybe even something handmade. IDK.

@Amanda_Nash_ @patrickmirani well, as I mentioned, Heidi's been reading Woolf's Waves, though I rather prefer Dalloway!

I rather fancy myself a Septimus figure...Fear no more, says the heart...

Heartily! @HarjitSarang: @spencerpratt Will you support your gay followers by RT'ng a 'Yes' in support of #equalmarriage please?

@krsee32 editors are so fickle!

Once you fall...human nature is on you. Holmes and Bradshaw are on you. They scour the desert. They fly screaming into the wilderness.

The rack and the thumbscrew are applied. Human nature is remorseless. (Ah, so painfully beautiful... So true.)

@Ggi_May oh, dear, right. I've turned it into some sort of Chinese dynasty! Sigh.

Can anyone recommend little bookstores in London where I might find some quality poetry? I'd like to buy something special for Heidi.

@Ggi_May touche!

@Blu_glitter yes, I know all about those. But I'm looking for favs. Undiscovered gems! The more obscure the better!

Right, excellent! @Dancox1984: @spencerpratt waterstones x'

Planning out my day as a movable feast of these! @cuntkenny: @spencerpratt John Sandoe, on Backlands Terrace or Waterstones, on King Road'

@Oog OMG, I saw the miniature print exhibition there. Simply brilliant! #lovefoyles

@JadeKayaMcNicol yes, agreed.

RT @LuShuMuFu: @spencerpratt waterstones is more of a chain- I would try Foyles, Charing Cross / Joe Sandos Books, Chelsea or Black Gull...

@Oog to be lost among belle lettres is to be found...always.
I remember the 1st time I stepped through Hatchards doors, the staircase spiral, like the first time I laid eyes on Heidi.

Btw, while we’re on the subject of poetry, how do you all feel about Kenny Goldsmith?

I have. I’m just trying to stir up a discussion. It occurs to me that twitter could be a useful forum for a poetry circle.

For I am crazy Spencer, always stirring things up, whether on The Hills, my uni, or elsewhere!

Off to do a little bookshopping. Perhaps some writing, too. Why don’t you try & we’ll compare fruits tonight or tomorrow like Sir Gawain!

Yes, I do prefer the Oxford comma!

Proposal: everyone write at least 1 line of poetry, tag it #spencerian, & we'll make a big cadavre exquis! Theme: The Hills are alive!

Found this wild book of poetry for Heidi. It’s called Between Page and Screen by Amaranth Borsuk: some kind of augmented reality poetry.

It’s got those square codes you can scan with a camera, makes things pop right off the page!

 Turns out she attended my uni, though I don’t believe our paths ever crossed. Brilliant concept, though.

My fellow poets, don’t forget to use the hashtag #spencerian to join in our little cadavre exquis w the theme: The Hills are alive!

@ianthebrush now that’s not a very nice question to ask a loving husband, is it, mate?

From the looks of this feed, the Spencer haters have emerged today. Oh & they think the Pratt lastname joke is very clever. V original.

N.b., The #spencerian lines do not have to rhyme! We can combine them later in various orders. That’s the beauty of this particular game!

@MelanieSands you should really see it in action. There is probably a demo somewhere online. It is truly ace!

@hotelallison Twilight's fans are no doubt just as rabid as reality tv fans, so I'll refrain from comments on that particular Mary Sue tale

RT @MelanieSands: @spencerpratt ‘You’re right, it is very cool: Here’s another cool online demo of Between Page & Screen’ it: http:/...

@JoHnnY_Boiiiiii if you wish to be included in the cadavre exquis, you must use the #spencerian hashtag.

@MelanieSands isn't it brilliant? Usually I don't need my poetry augmented, no fancy illustrations, but this work is charming.

@JoHnnY_Boiiiiii Yes, if you wish it to be included. Hashtag facilitates search & weeds out all the @spencerpratt tweets calling me an arse

Okay, Let's get back to poetry! I gave you the Sir Gawain challenge. I went on the hunt, what do you have to share? What did you write?

@Laura_springer come on, girl, it's reality tv. I get special exceptions. Are you really surprised? Now back to poetry!

Listen, tweeps, keep calm and carry on. This is perfectly explainable. I have been allowed to tweet as a plot device in the season.

Can we PLEASE just get back to discussing more important things. Don't blow a fuse over nothing. It's just how reality tv goes.

Everyone treats this shit as if it were sacred. It's all a game. So I can tweet. So what? Heidi's right here telling me what to write.

A few of you have asked for me to snap photos. Now surely that would not be allowed, or, as some would have it, aloud.

7/1/2013 22:36 @xJox86x @StephD2708 double check that, dear. Was it Spencer or @Spencerpratt who claimed that?
Can't sell the phone. Peeps DMed me & said I can keep using the account till he gets kicked out of the house.

They still don't know who I am & I'd prefer to keep it that way, except it hit me that this is my big chance, sort of.

If you haven't guessed, I'm something of a budding poet here in the UK. Poets don't exactly have Speidi-sized readerships.

So if I can't sell this ruddy phone, I COULD get my verse out. There. Just can't let on who I am. Call it the bollocks paradox.

Some of you might just call it bollocks bc you think I am one of Spencer's friends or PR men. Fine. I can't change that.

But how could I let you know who I am without anyone ever figuring out my identity? I propose we play a game.

I've been watching Spencer on this show thinking: ok so the Hills was a fake him, is this the real him? How would he prove who his Me-me is?

So let's play a game...

Tweet something that proves you are you, not someone pretending to be you, but You-you. Not dinnerwiththevicar you but the intheloo you!

A book I read called this a Shibboleth. (Look it up, mates) Tweet a something that only you could with the tag #shibboleth

I don't mean a password or your birthdate or your mum's name. Actually anyone could find out those. Let me give an example... #shibboleth

In primary, there was 1 drinking fountain you knew to avoid (the 1 behind the headmaster's office) bcause it was ALWAYS manky #shibboleth

Noone but my old mates would know that, and it would be a good test to see if it were really 1 of us or just some impersonator. #shibboleth

So let's play this game. What is your #shibboleth? Prove that it's you. Gawainstyle we'll share what we come up with at the end of the day.

I will assume if you tweet it, I can retweet it. I will choose from my favs. #shibboleth

We're not filming a saw film you know.. #shibboleth

My point. @MrsFacer: @spencerpratt well it's very clear that you're British, as American's don't use the term 'manky' #thief'

Also my point. @MichellaRivers: #manky does not prove that he's British. It proves that he is using a Google dictionary of British words'

10/1/2013 14:58 @brodywills You guessed it! But now that you ask, there is a certain someone I’ve got my eye on. She works at the bookshop near my flat.
10/1/2013 15:05 @GennaKenyon There’s the rub. I obviously have 1 &amp; would like you all to know it but the current circumstances make disclosing it unwise.

10/1/2013 16:30 I doubt she follows @spencerpratt. Not that type of girl.
10/1/2013 16:56 I could show her the phone, tho. We’ve only talked in the shop, book &amp; poetry recs mainly. She pointed me to Noel Williams &amp; others.
10/1/2013 17:01 @jillianburtonuk No more than anyone does, which I’d contend is not at all. But I think I will pick up his book today. Trip to the bookshop!

11/1/2013 16:06 All right. Headed into the bookshop. Time to see what Una thinks of all this, the phone &amp; all. Wish me luck!

11/1/2013 16:27 Bugger me. That didn’t go well.
11/1/2013 16:32 @angie_hunter_ that it was a tad sad to use somebody else's phone just to make yourself feel important, esp. when no one knows it's you.

11/1/2013 16:39 @ianthebrush I did. That's what I tried to explain. Apparently, I've gotten more reactions than he did in 2 years! They think it's great.

11/1/2013 18:33 @missXthor Every Beat!! I have a weakness for Mottram, if you include him.

11/1/2013 22:15 1 good thing came of the stop in the bookshop: picked up a copy of How to Be Famous. Looks brilliant.

11/1/2013 22:18 Brought it to the coffee shop. Got a cup of this new blend there called Mechanical Turkish. Deceptively strong. Lovely.

11/1/2013 22:22 Bitterly cold out. but had to get away from the flatmates. Hope my hottie is ready!

11/1/2013 23:58 @Westy_Low I hope that hope is picked #tworplets

11/1/2013 23:55 The #tworplets form may be too hard: the basic idea is that you write an answer to someone else's tweet that rhymes with & complements theirs

11/1/2013 23:58 This morning I was trying to match the other person word-for-word, but try roughly the same number of syllables & a rhyme at the end #tworplets

12/1/2013 0:01 @birdisthewyrd nice rhyme. I keep thinking syllable count should be roughly the same, but it's challenging. #tworplets

12/1/2013 0:53 @ChloeSmith0603 Couldn't resist to make you cringe, did not mean to impinge. #tworplets

12/1/2013 0:55 Ok, far too late. I'll see you in my dreams. Look forward to seeing the #tworplets in the morning. Rhyme with those who @ the Pratt. Xoo

12/1/2013 7:49 @missXthor good morning, luv. Ace. But the original idea was that you make a twouplet by rhyming with someone's tweet at me. Well done, tho.

12/1/2013 7:51 Let's continue with the #tworplets. Rules of the game, write a tweet that rhymes with a tweet some1 else tweets @ me by replying to them.

12/1/2013 7:53 It only has to rhyme with the last word. Extra points for matching their syllable count and complementing their content. #tworplets

12/1/2013 7:55 We could also build on #shibboleth by having each person in the #tworplet say something about themselves. #tworplets.
12/1/2013 8:00 But if you're responding 2 some1 tweeting @ me, they're prolly: asking for a follow, calling me a bell end, cheering team speidi, or hating
12/1/2013 8:03 I tend to obsess over syllable count & matching the rhythm bc I'm thinking about heroic couplets #twoouplets
12/1/2013 8:06 But let's make it easy. Tweet something at me, a simple line, e.g., I like overcooked rice. #twoouplets any1 can reply & try to rhyme it.
12/1/2013 8:11 Just like Speidi, everything is better in pairs! #twoouplets.
12/1/2013 8:22 O &; the name of this game is a portmanteau of twitter & couplet, tho you prolly figured that. #twoouplets I'll RT the best ones
12/1/2013 8:25 @gibbsgirl3031 pls fix the apostrophe & tweet that again, I want to give it a go.
12/1/2013 8:27 @acciomontana I did that one last night. Great minds...
12/1/2013 8:31 @evelyn__manf lol but remember, you're rhyming with some1 else. #twoouplets
12/1/2013 8:33 @evelyn__manf practice a bit and merely aim to match #twoouplets
12/1/2013 8:35 @gibbsgirl3031 you said birthdays, you meant birthday's (birthday is), right? Or are you playing me?
12/1/2013 8:39 @damienjr88 a Girl needs 2 please you like a fish needs a bike #twoouplets
12/1/2013 8:43 @Erination85 Kenneth Clarke hates plants #twoouplets
12/1/2013 8:47 RT @Sabrinz_Malik: @spencerpratt @gibbsgirl3031 and one way that's the biggest newsday #twoouplets
12/1/2013 8:48 '@ChloeSmith0603: @spencerpratt A girl doing girls is offensively, called a dyke #twoouplets' Well done, dear!

12/1/2013 9:00 @GerryConfiant @gibbsgirl3031 I should reply instead of RT so people can see the chain. Brilliant.
12/1/2013 9:00 @GerryConfiant: @spencerpratt @gibbsgirl3031 and his followers have become his plaything #twoouplets' :-)
12/1/2013 9:04 @Sabrinz_Malik You all could twouplet away the haters. Nice work.
12/1/2013 9:06 @SarahAnneJoulie: @spencerpratt well this is just awful , I was just called a twat waffle #twoouplets/ lol but we're rhyming w others' tweets

12/1/2013 9:12 @ChloeSmith0603 did you really just start following me? You're good. (Don't forget the hashtag)

12/1/2013 10:34 Any more #twoouplets, luvs?
12/1/2013 10:41 @DenningC nice, don't forget the hashtag #twoouplets
12/1/2013 10:42 @DenningC depending on how voting goes, may have to pack the bags. #twoouplets (I'm packed...)
12/1/2013 10:45 @ianthebrush but is there such a thing? We'll never know the answer. #twoouplets (slant rhyme)

@Lottie_McAdam whether the weather is hot, whether the weather is cold... #twouplets

@EmilyMoore95: @spencerpratt follow' exactly. Now, back to the #twouplets

I wonder if we could write some #twouplets for Una. She might be tickled. Tag them #una too if they're for her.

@littlelucky666 okay, but no more just for that rhyme. The rest go to game players: Poets for Pratt!

@AmeliaQJ you'll find you develop amnesia if you don't get some sleep too #twouplets

Got to dash. Back later. Keep up the #twouplets. Rhyme with any1 who @s spencerpratt. Use the #una tag if they're for her.

Wow. What has Spencer Pratt been up to?

I can always tell from reading the tweets the next day, when the hate rolls out like an endless scroll.

Well, I hope you all have been. Reading back through now.

@StephanyCollin1: #una is a mystery, a figment with a mind. We will never know of her, this is so unkind #twouplets

@StephanyCollin1 Nice work on this one. #twouplets

@ChloeSmith0603 This one cut me to the core. #twouplets

@blissnilsen: @spencerpratt what is twouplets?? Did you miss our game? Just rhyme with a tweet some1 send to me, you know @spencerpratt

O & don't forget the hashtag. Search for #twouplets & you'll see some of what people did yesterday. Special ones for #una are tagged too.

@StephanyCollin1 You'll find you develop amnesia if you don't get some sleep too #twouplets

@HannahMel21 Which one of your tweets was for #twouplets? Who were you rhyming with?

@gisselleeee_ @julielindabass payment for poems'd be bliss #twouplets

What I love about this game is that you all get a chance to see the gobsmacking mess of tweets that gets sent this way. #twouplets

@HannahMel21 Which one of your tweets was for #twouplets? Who were you rhyming with?

@ChloeSmith0603 Ace. But I worry people will think a twouplet is just them rhyming themselves. Not the end of the world, of course.

@gisselleeee_ I thought you were just teasing me or making a pun.

@SarahAnneJoulie: @gisselleeee_ @spencerpratt to play the game right you must reply in rhyme to other tweets tonight #Twouplets

@SarahAnneJoulie: @gisselleeee_ @spencerpratt to play the game right you must reply in rhyme to other tweets tonight #Twouplets

@RavneenSinghx so far Spencer Pratt has been the topic. But would luv for it to be abt my luv Una or even abt yourselves as in #shibboleth

@ChloeSmith0603 the pull of the hateful and awful cavorting I read, makes it hard to tweetback each rhyme you have said #twouplets
but those looking for Speidi, may feel themselves misled

@missherarding Una is my love from the bookshop, wrapped in tattoos and piercings. She knits and swears like a sailor.

@RavneenSinghx The goal is rhyme with someone else's tweet, though we have been rhyming internally as well. #twouplets

Una writes Twilight fan fiction, by the way. Calls it Mary Sue squared.

I came back to look at the #twouplets and found waves upon waves of Twitter hate!

I should watch this Big Bro show to see what those two do every day, but I don't own a telly.

And it's fascinating to find out what your alter ego has done by reading Twitter. Must be how Dr. Jekyll felt.

Can someone, for example, explain to me who this Rylan is? Or is that a typo?

Una writes Twilight fan fiction, by the way. Calls it Mary Sue squared.

I am now an allowed fool. They said I can keep tweeting as long as I don't do anything illegal or try to profit off it.

Apparently I do more with his account than he ever did. And now I have haters of my own, which seems Speidi's specialty.

I keep trying to think of ways to make myself visible to you while keeping on my cloak of invisibility.

My impending demise made me think of a new game to play with you. I wanted to reveal myself before I'm locked out. It reminds me of a movie.

What is this movie? Trading Places? Prelude to a Kiss? S1mone? A movie where someone wakes up in someone else's body? Being John Malkovich?

What if I described a picture of myself? And what if you did the same? But you can't link to the picture, only use words.

Here, let me write a few examples based on pictures of me: #ekphrastic

Here's us in primary school. I'm the 4th anonymous forgotten kid from the left in the penultimate row. See me? #ekphrastic

Here's every1 having fun at a party at my friend's. See me? No, you don't. As always I was taking piccies, not joining the fun #ekphrastic

14/01/2013 8:40 @SarahAnneJoulie @ChloeSmith0603 hey, are two trying to needle me with the grammar?

14/01/2013 8:47 For #ekphrastic you are not describing what you are doing now; you're describing a revealing picture, 1 that shows who you really are.

14/01/2013 8:49 @SarahShatan see my note about the pictures, and maybe you should watch what you let him eat for dinner. :)

15/01/2013 0:44 Don't get chuffed. In REAL life I'm allowed to do this. However, usually the people tweeting are hired and paid.

15/01/2013 0:52 Do you really expect to hear the inner thoughts of tv personalities? The REAL Spencer? I've already voted that notion out of the house.
Sorry to get so bothered. Did you like my CBB allusion? I tried to watch a few minutes of that program online today. Unbelievable.

Sorry, too. It's late here & I so want to tell you what happened at the bookshop tonight. But it will have to wait. Stay #ekphrastic!

Couldn't sleep. Had to watch a bit more CBB online. Saw a very large former footballer getting waxed. The horror. The horror.

Went to the bookshop to hear a reading. Una wasn't there. Gutted.

The author never showed either...but then I saw this perfectly luvly lass. Thick glasses. Khaki green army jacket. Knee high socks.

Shame, having a reading like this & no author, I said. Yeah, total waste, says she.

Thought about showing her the phone bc I didn't have much to say but instead asked what she did. I'm a writer, she said.

Imagine?! I told her I'm a poet & she asked what kind of poetry I liked. We swapped names, favs. Had quite a few in common!

I asked her what she'd do now. She said, dunno, maybe go for a pint. I joined her for 1 or 2. 3.

After a few, she tells me the reason she was at the reading. Turns out, she helped write the book. Uncredited!

Said night at the pub, but she gave me her number! Thought it'd be ace to call her from the Speidi phone, but they cut service except wifi.

This might be my Duessa. Una look out!

Happy birthday! Party like Speidi!

I didn't mention them. Should I? Una was so unimpressed. Anti-impressed.

That's the heart of my dilemma. I can't give my name, might as well not have a name. I am Spencer Pratt's inner poet.

@MissyMissyMia Una found it...pathetic. Many @spencerpratt followers agree. #myownprivatehaters

Remember the #ekphrastic game asks you to describe a revealing piccy of yourself, not what you are doing now.

I really just found it.

Spencer is still an enigma wrapped in a thick sheet of realitytv to me & I am even reading his book.

I don't want to be rude, but you should look it up.

@ChloeSmith0603: @spencerpratt Did you respect her as a women on top of a huge pile of poetry books? :) I am a gentleman & we just met!

@nicolaosborne36 @Embird83 I will. I am told there will be no consequences. No charges. No arsekicking.

Now I might be tempted to do something naughty with a sestina, tickle her with a pantoum. ;-)

@MissyMissyMia @nicolaosborne36 @Embird83 I like that name. Temporary Spencer. Temp Spence. Ace!!

I can't say I've seen enough to understand this show, but they do seem to have staying power. I hope.

@nicolaosborne36 @Embird83 I think they're starting to flutter off. I'm realizing I'm a different sort of fellow than this Pratt.

@ChloeSmith0603 some1 new. I'll refer to her as Duessa to keep our theme. Look back in the feed from earlier this morning.

RT @MissyMissyMia: @spencerpratt @nicolaosborne36 @Embird83 yes! #tempspence

@SarahAnneJoulie Still playing #ekphrastic. I want to challenge you all to find more revealing moments in the piccies. Emotionally revealing

16/01/2013 7:52 There was something in your voice, it was telling me don't be too sure, arousing my suspicions... rather like our #shibboleth game
16/01/2013 8:03 @SarahAnneJoulie ok. I'm glad you asked. In the new game let's return to writing poetry, this time a massive collab poem.
16/01/2013 8:11 The only problem is, I'm not sure if we should write it for Una or Duessa. Perhaps I should imitate cbb &amp; let you decide!
16/01/2013 8:21 The #centode game: every1 will write a line describing your bf or gf (real or imaginary) but substitute Una or Duessa for their name.
16/01/2013 8:23 #Centode is a combination of Cento and Ode, two poetic forms you've probably heard of. Centode evokes Toadfish, which I heard on cbb
16/01/2013 8:29 Here's an example: Una laughs uncontrollably at parts of Trainspotting. #centode
16/01/2013 8:33 You advanced poets can rhyme with someone else's line by replying to it, but rhyme is not a requirement. #centode
16/01/2013 8:49 @AlexisWTweets Thanks for getting this started! #centode
16/01/2013 8:55 @SarahAnneJoulie I'd like to assemble the poem directly from the tweets. But at somepoint I might have to choose between the two.

16/01/2013 9:02 @SarahAnneJoulie Or tweet it twice. Remember, our #centode will make a poem out of all the people we love.

16/01/2013 9:50 @Sweet_vero They don’t have to sound like poetry. Beauty emerges when you string all these together. #centode & then, voila, u are a poet.
16/01/2013 9:58 Got to dash. Keep working on the #centode. I’ll see your fruits this afternoon, Gawain-style, tho it may be my last #tempspence

17/01/2013 7:14 How Speidi avoid eviction is beyond me, but I’m not going to challenge the will of the people.
17/01/2013 7:17 '@ChloeSmith0603: @spencerpratt Cool! You know what that means, right? :)’ What?
17/01/2013 7:20 1 of my flatmates snores like Razor. In fact, he’s kind of a short, Skinny Razor. He’s Pakistani, really, from Faisalabad.
17/01/2013 7:24 '@nadiiakarii: @spencerpratt i’m just pretty happy you know about Faisalabad.’ He talks about it incessantly. Quite homesick, really.
17/01/2013 7:26 I called Duessa last night. Thought I’d tell her about the phone during the live eviction. Turns out, wrong number. Ha!
17/01/2013 7:40 @SarahAnneJoulie It was not HER number. It was the number for 19 Turing or Touring, couldn’t hear
17/01/2013 7:44 '@SarahAnneJoulie: Dearest @spencerpratt , Are we continuing our game of #centode ?’ Yes! I’m hoping to go to the bookshop tonight.
17/01/2013 7:48 If you missed it, we’re writing a Cento Ode by tweeting something abt your bf or gf, replace his/her name with Una or Duessa #centode
17/01/2013 7:50 Una is a lass at the bookshop, unimpressed with my phone luck. Duessa is a ghostwriter who gave me a fake number. :(.
17/01/2013 7:52 '@SarahAnneJoulie: @spencerpratt why to Duessa? She did give you a false number.’ Why would she trust me? She doesn’t even know me. Me-me.
17/01/2013 7:55 Let’s take a poll: RT this if you’ve ever given out a fake/false phone number to some1 you just met. #duessa
17/01/2013 7:56 RT this if you’ve never given a fake/false phone number to some1 you just met. #Una
17/01/2013 8:06 Looks like #duessa is winning. I’m not arguing that people should be false. I try to be honest, but you just don’t know whom you can trust.
17/01/2013 8:07 '@Jana_Notah: @spencerpratt I gave out an ex’s # Ø³“Brilliant! #duessa
17/01/2013 8:10 @SarahAnneJoulie @thebeanboy23 the line you write for Una or Duessa should be some cute, intimate or quirky fact abt your bf or gf #centode

17/01/2013 8:14 I'll RT some examples of the #centode game. I think I'll go to the bookshop tonight to share the poem with Una at least.

17/01/2013 8:21 Don't make your #centode lines rhyme. But you can rhyme your line with someone else's by replying. (Starred First poets)

17/01/2013 8:22 '@Lyds_G: @spencerpratt I gave out my twin sisters number!' That makes you a doubledecker Duessa. :)

17/01/2013 8:24 @SarahAnneJoulie @ChloeSmith0603 Don't get mad at me, please. I am fairly permissive when we first start a game. I like to see what you do.

17/01/2013 8:26 @RebeccaMasters I am the latter, referred to as #tempspence. @spencerpratt's inner poet. :)

17/01/2013 8:35 @juliaustin Duessa? She's Ace. Met her at a reading of an author who never showed. Turns out, she ghostwrote the book.

17/01/2013 8:41 @lorraineq Er, currently I'm between engagements. I am a poet, you realize? Job market's a bit thin these days.

17/01/2013 8:44 Yes, let's get back to #centode! I hope to have a full poem's worth of tweets by the time I go to the bookshop to see Una tonight.

17/01/2013 8:52 Una arranges the spines of the paperbacks at the edge of the shelf so she can run her finger along them like a xylophone #centode

17/01/2013 8:58 Of all the pages Duessa pens, she never sees her name upon a spine. #centode

17/01/2013 9:04 When I ask Una for a book of love, she always hands me mysteries #centode

17/01/2013 9:08 @SarahAnneJoulie @AlexisWTweets Let go & let the game take over: the premise & process will write something beautiful. Try to be particular.

17/01/2013 15:10 Una writes fanfiction strange & true; each of her heroines is a Mary Sue #centode #twouplets

17/01/2013 15:35 @maggiespencer But I *have* been revealing myself, with every Tweet.

17/01/2013 15:47 @maggiespencer Though I wish for you to know me more if known I am I will be no more. #tempspence

17/01/2013 15:49 Still need a few more lines for the #centode for Una before I go see her at the bookshop tonight. I'll RT my favs (& I like to follow poets)

17/01/2013 16:46 I should be more clear: my follows & RTs will go to poets who play my games: #centode #twouplets #ekphrastic #shibboleth Play on, poets!

18/01/2013 7:22 Good morning, luvs. Great to see all the haters & lovers of #teamspeidi & #tempspence getting along so well.

18/01/2013 7:23 Went to the bookshop last night to find Una. She was in a back corner on her break working on her fan fiction.

18/01/2013 7:27 I showed her the #centode we wrote or a version of it. She coloured a bit, cheeks red beside ears cycloned with piercings.

18/01/2013 7:30 @SarahAnneJoulie she said they were perfectly lovely lines but thinks I am taking advantage of @spencerpratt's followers. :(

18/01/2013 7:34 I asked about her fan fiction. She writes Harry Potter stories from the point of view of Luna. Luna is a Mary Sue for her, she says.
She explained that a Mary Sue is a character that stands in for you. That lets you imagine you are someone living in the storyworld.

I told her it sounded kind of like me being #tempspence & she snapped her journal closed & said it wasn't the same at all. #imfallingforher

@XxGLAMMAxX but I was doing just what she's doing: pretending to be a character. People love to hate him, to boo him, to throw trash at the bad boy.

People have been writing lines for Spencer Pratt his whole career, no doubt. So who cares if I'm writing lines as @spencerpratt?

Apologies. Swallowing all the hate @spencerpratt & now #tempspence get on a daily basis is clearly getting the better of me.

@XxGLAMMAxX but isn't that what Una does? Pretends she's Luna Lovegood, walking around Hogwarts in a beautiful fog. (She let me read some)

@gmensss that's the irony. I am unfamous, incapable of becoming famous. If I were discovered, the real me, that would be my end.

@DaynahRose Who's being taken advantage of?

@Chels91 Una is the fair inked lass at the bookshop, maybe my one true love, at the moment unimpressed with my courting.

'@SarahAnneJoulie: @spencerpratt and what is this book called?' I could not Tweet that any more than Tweet who I am.

Speaking of who we really are: I have a new game to launch for you.

Gane: draw a doodle that you typically draw, take a picture, & share. Use bright lighting! We can use the #shibboleth tag again.

@thebeanboy23: @spencerpratt Is this game going to be easier than the others? Yes, for some.

@thebeanboy23: @spencerpratt How do you feel about tonight's eviction? Do you think #speidi will stay? I hope. My fate lies with theirs.

@ChloeSmith0603 @SarahAnneJoulie I don't know a lot about tech. Cld 1 of you set up 1 of those sites where all #tempspence poets cld post?

I will RT (& maybe follow) those who share their doodles. N.b., they don't have to be fine art, just your signature style #shibboleth

Duessa was telling me about Tumblors (sp?) at the pub. Could we use one of those for the #tempspence poets?

RT @hanscans: @spencerpratt my Uni notebook is full of doodles. Anyone who knows me knows how much I love Disney! #shibboleth http://t.c ...

RT @JoanneCarr1: @spencerpratt #shibboleth http://t.co/SUqJOVFv

Here's the online home for all the games we've been playing: http://t.co/zBEUQi7m thanks: @AlexisWTweets will be posting their soon!

Good morning, luvs! Well, #teamspeidi were spared the axe once more, so I keep my twitter head as well. The stress is horrid. #tempspence.

Realized today 1 of my flatmates reminds me of Frankie, very friendly. He's a Green Party fanatic. Very political, vegan/RAWtarian, etc.

Green Frankie always has fresh veggies & nuts piled in bins in the kitchen. He was bothering me about the rent this morning.

Cheers to @AlexisWTweets for setting up http://t.co/zBEUQi7m How do we post the games there? #nottechsavvy
I'm from a long line of Labour with some Social Dems centrist cousins & Scottish Green on my mother's side. I'm left of them all.

@consar74 I wish I could, but if I revealed who I was, well, long story. Let's just say I'm #tempspence, a poet.

@AlexisWTweets Can you tell me & the rest how to get content into the tumblr for the #tempspence poets?

@Adam_Lees Our most current game is a version of #shibboleth where you share a piccy of a doodle you typically draw.

A doodle isn't a work of art but something you scribble in the corner of a page of notes like a kind of absent-minded signature #shibboleth

@jasinski_skiii Sorry, slept in. It is Saturday after all!

@SarahAnneJoulie @AlexisWTweets can you DM me the login info? Maybe we could all use that account?

@XxGLAMMAxX: @spencerpratt these are my sort of doodles when I'm on the phone http://t.co/WXnlL8u2' Ace. Don't 4get the #shibboleth tag.

@em4n_ Like! but we're posting doodles that would identify us. Not drawing disney but what you draw in the corner of a notebook #shibboleth

@XxGLAMMAxX Uncanny. Don't forget her ears! She's got them ringed in piercings. She's got a bit of ink, too, a tattoo like a doodle. #Una

Our #shibboleth games started weeks ago when people realized I was #tempspence. Some said I used words he'd never use. It became a theme.

@Butterscotcheve: @spencerpratt question is will you be returning the phone to Spencer?' Yes, not sure how yet.

As usual, my payment for your doodles & poetry is a follow from @spencerpratt, but you have to play one of the games!

@SarahAnneJoulie @AlexisWTweets @ChloeSmith0603 Of course. Really any of the poets who are playing with us. Maybe a 2 game minimum? :)

Our #shibboleth games started weeks ago when people realized I was #tempspence. Some said I used words he'd never use. It became a theme.

@Butterscotcheve: @spencerpratt question is will you be returning the phone to Spencer?' Yes, not sure how yet.

@Ianthebrush It's the nature of Twitter, I suppose. No one does the reading.

@Ianthebrush did you see the tumblr yet? http://t.co/zBEUQi7m

@Ianthebrush It's the place we are anthologizing the poetry game submissions of the various #tempspence (as I am now called) poets.

@Ianthebrush @AlexisWTweets set it up. You should try any of the games you missed!

@ChloeSmith0603 @SarahAnneJoulie @AlexisWTweets has done a lot of brilliant work. She has the login info.
I've never used it before, but it will be nice to have this as an archive or perhaps venue for the future.

I believe I have now posted all of the games we have played so far on http://t.co/zBEUQi7m. We'll put favourites up soon!

@whitknee_s @SarahAnneJoulie set one up for me. I need to prepare it, but yes, that's the current idea.

I can only use the wifi. No phone service.

If I revealed my identity that would be the end of me. Must enjoy what little time I have as #tempspence

I will return to being an unknown poet.

Continue posting the #shibboleth doodles. I've got to dash. I'll RT (and maybe follow) my favs when I get back this afternoon or evening.

Skinny Razor says I used all his condensed milk, but I only used a little.

RT @Jennay_5: I hate people who build themselves up in high school, because in the real world no one cares who you were then, they only...

@Janey_Platty I only started watching CBB & realized similarities with some of my own flatmates, like Green Party Frankie.

I need a profile piccy for my Twitter account, combination of Spencer Pratt & Edmund Spencer like a playing card. Can any1 try? #tempspence

Really I'll trust your artistic inspirations. I would love to see whatever you come up with for my new @tempspence Twitter account.

Hi tweeps! I imagine there will be another round of nominations tonight. I'll be awaiting the sensation of a short, sharp shock...

@Danarazzi oh! No, I don't have a telly. I watch the show online several days later typically (and am a little behind). What does this mean?

So my fate is set. I either have three more days or five? Time to pack my bags, plan my exit.

When Spencer leaves CBB, I may be able to continue here @tempspence and here http://t.co/zBEUQi7m, provided nothing happens to me.

Called the publisher of Duessa's book, the 1 she ghostwrote. After being 5-6 transfers, an editor told me there was NO uncredited author!

So either the editor is lying or Duessa was, which do you think it was? Let's vote CBB-style.

RT this if you think the editor was lying to me about the book & that Duessa WAS really a ghostwriter on that autobiography.

RT this if you think Duessa was lying to me about the book & she was NOT really a ghostwriter on that autobiography.

ok: I met Duessa at a reading at the bookshop. At a pub after, Duessa claimed to have cowritten the book, uncredited.

In my brief stay here, I have not succeeded in teaching you: you're vs. your. :

New game: as I watch CBB, I've been realizing how much my flatmates match up with the housemates. & I wonder if you do, too! #mycbb

My flat has Skinny Razor, Green Party Franky, Transgendered Claire, Call-Centre Rylan, etc. They map on to CBB well. #mycbb

To play, make a tweet abt some1 you live with (flatmate, gf, bf, relative) replacing their name with their CBB doppelganger #mycbb

E.g., Call-Centre Rylan idly thumbs through all our mail while drinking his darjeeling tea. #mycbb
You can choose whether you want to give your CBB flatmate an epithet or not (like my call-centre, skinny, etc.). #mycbb

As with the other games, I will RT my favs (& possibly follow you) later today & tomorrow. #mycbb

Based on the RTs, most of you seem to think Duessa was telling the truth. Maybe I’ll return to that pub tonight, ask around.

Here’s another example: Green Party Frankie uses the same knife for the butter & jam = buttery jam & jammy butter. :( #mycbb

@LoleneNiAra To be fair, we’d just met. She gave me a fake number. Maybe she lied about the book. Could I fault her for pretending?

@katiewood1985 sorry, that refers to one of my flatmates, not one of his. #tempspence

@XxGLAMMAxX: @spencerpratt Rugged Razor scrapes the excess butter back after buttering his toast. I use it in his potatoes I don’t like ...

My flatmate Transgendered Claire keeps a kitten in the closet against building rules. When it escapes, it prefers my pillow. #mycbb

RT @XxGLAMMAxX: @spencerpratt @tempspence Fisherman Frankie is always telling jokes. He thinks he’s a comedian I don’t! #mycbb

@StephanyCollin1 These are brilliant. Can you repost using names from this year’s celebrity big brother? Sorry if it wasn’t clear. #mycbb

Can’t sleep. My days are numbered and it’s getting to me. #tempspence

Went back to the pub last night. Duessa wasn’t there. The 2 bartenders said they knew her but they were describing 2 different people.

Some ace tweets in the #mycbb game. Let me RT some favs, but let’s keep playing.

RT @StephanyCollin1: Corky, clutzy Claire, babble’s 24/7, making my migraine soar to another deminsion. #mycbb @spencerpratt

@OdieHashil sure. Just tweet about the people you live with using the names of the people in CBB. #mycbb

@ChloeSmith0603 @SarahAnneJoulie hello! You realize I can hear you? Ouch. I get hit from every side!

@SarahAnneJoulie @ChloeSmith0603 The characters in cbb aren’t very complex. Watch 1 episode on yt & you’ll have them #mycbb

@ChloeSmith0603 @SarahAnneJoulie Sorry, I was teasing. Spencer gets beaten up & cursed regularly. Of course, I want you to play!

If you want to follow the poetry action after I’m gone from here, follow @tempspence!

21/01/2013 8:28 @anjunalex I met Duessa at a reading for an author who never arrived. At a pub, she claimed she had ghostwrote the book, gave me a fake num.

21/01/2013 8:33 Got to dash soon. Let's do at least another day of #mycbb. I'll RT & perhaps follow my favs.

21/01/2013 9:14 @Lisa7002 yes, I was selfconsciously alluding to the FQ when I assigned these nicknames. #una #duessa

21/01/2013 9:16 @SarahAnneJoulie maybe tonight.

21/01/2013 17:53 Remember to play #mycbb, a game where you Tweet about your flatmates using the names of CBB contestants. I'll RT & maybe follow my favs.

21/01/2013 23:26 What did Speidi do tonight on #cbb?? Epic amount of hate spewing from twitter tonight! #tempspence

22/01/2013 0:14 Read about the previous games here: http://t.co/zBEUQi7m where we will post our favourites.

22/01/2013 8:04 Morning, Luvs. My, how the twitter hate poured in last night!

22/01/2013 8:08 @SarahAnneJoulie something about Claire & refusing a challenge that would win her a letter from her kids, far as I can tell.

22/01/2013 8:19 Went to the bookshop last night to see Una. She wasn’t there. Did find a printout of 1 of her Harry Potter fanfics, so I snatched it.

22/01/2013 8:32 @tajcat I assumed she left it for me or some1 to take. She knows I stop by most Monday nights.

22/01/2013 8:40 Ready for a new game?

22/01/2013 8:42 This game comes to us from the Oulipo, a group of experimental poets of the finest variety!

22/01/2013 8:49 Take a famous Spencer Pratt quote or line from How to Be Famous & replace any noun with the noun 7 later in the dictionary #prattplus7

22/01/2013 8:52 Yes, it's a variation of the Oulipo game n + 7. There are even sites online that will do the change for you. #prattplus7

22/01/2013 8:55 Alternatively you can speak 1 of Spencer Pratt’s famous quotes into your phone speechtotext & tweet the result if hilarious #prattplus7

22/01/2013 8:57 You will find famous Spencer quotes online. I did. I’ll RT the best. Be sure to use the hashtag #prattplus7

22/01/2013 9:00 @DaynahRose I really think she wanted me to find it. It was beside an anthology of conceptual writers whom she knows I love. #una

22/01/2013 16:56 @rice27 o, dear. So I am being played, by the barman or Duessa or both.

22/01/2013 17:23 @GiaDuprey I know. It's hard to uncover the REAL story these days!

22/01/2013 17:30 Don't forget to play #prattplus7 I'll RT & follow my favs. Search the hashtag for instructions.

23/01/2013 7:55 Good morning. Might be my last day again. Now I know what it's like to be a pig on a farm. Never sure if you'll wake up as bangers.

23/01/2013 8:11 So I've been reading Una's fanfiction, the story I found at the bookshop: Luna & the Dueling Double. And I realized something.

23/01/2013 8:15 I think this story was meant for me, that she deffo wanted me to find it. #una

23/01/2013 8:20 In Una's fanfic, Neville Longbottom finds Harry's wand, the dual core one, & tries to use it as his own but fails #una

23/01/2013 8:28 In Una's story: Neville ends up dueling Voldemort but doesn't have Harry's powers because it's not really Neville's wand. #una
In the end, una comes to his rescue riding a Thestral that kicks Voldemort in the head & gets Neville to return the wand. 

But at the end of the story, Luna takes Neville to the Yule Ball: it's got to be a message for me. Don't you agree? 

@anjunalex no, Una is a lass I fancy who works at the bookshop. Till now I thought she despised me.

@ChloeSmith0603 What should I do? How can I prove to her I'm done being a Pratt? 

@ChloeSmith0603 This seems to be the finale. Friday, I believe cbb.

@ChloeSmith0603 Ok. I'll plan to tell her tonight I'm giving up the phone. 

@ChloeSmith0603 In the meantime, let's play #prattplus7 Just try an n+7 transform on either a famous Spencer quote or a hate tweet directed at me.

@simpletonmail am I any less real than Spencer Pratt? 

From How to Be Famous: 'Celebrities are there to look hot for the common people’ in the #prattplus7 game would be:

Cements are there to look hot for the common perch #prattplus7 

RT @Chelle_Belle_23: Centre you have another breach named Lauren Conrad! #prattplus7

@JesMcManus replace each noun with the one 7 later in the dictionary or you can use http://t.co/RUiDsihA #prattplus7

@greengoestweet I'm a bit ambivalent at this point. 

RT @consar74: Go to bedroom you sophistry of a blackball spencer #prattplus7 - how's that #tempspence ?

Please, tweet your #prattplus7 transformations. Search the hashtag for the rules. I will Rt & follow my favourites.

Hanging around the flat today, Skinny Razor was telling Green Party Frankie about a place called Catfish.

Apparently, it's a spoken word poetry club, moves around from place to place. It's happening tonight. Call-centre Rylan might perform.

Footballer Claire & I are planning to go tonight. Maybe I'll see Duessa. I'll still go to the bookshop to look for Una after. 

Una's story really got me thinking about what it means to be legit, to have my own tweeps. I'll be moving to @tempsence soon.

I like the idea of tweeting from my own account, let people see the real me, the Me-me, but I doubt any1 is real, is who they say they are.

I mean, who is Spencer Pratt? Who is @spencerpratt? I bet other people else have been writing his words for a LONG time.

New game: you can all be @spencerpratt for a day. Tell me what you want him to say. Let's crowdsourcing Spencer Pratt. Use the tag #imspencer

I'll retweet or say clever lines you write for @spencerpratt, nothing infantile or puerile, nothing about bellends or being gay #imspencer

@poprocks21772 I hear you. Trust me, I think Una is the one for me, but Duessa has cast her spell on me.

@LABarbie_xoxo not if I can help it!
I love Lorna Spaine #imspencer

I'm not the man people think I am, just a reality star. I'm someone different; I'm more than that. #imspencer

With the game #imspencer, I am trying to liberate us from the charade that there is a @spencerpratt or a Spencer Pratt. What should I tweet?

I hope your little girl gets better soon #imspencer @NPower85

@ChloeSmith0603 Not yet, but I found out where Duessa is going to be tonight, a poetry slam where Call-Centre Rylan is reading. I'm going.

@ChloeSmith0603 Skinny Razor was talking with Green Party Frankie about it. Footballer Claire and I are going to go check it out.

Live for yourself and answer to nobody #imspencer @steve_reed95

@SarahAnneJoulie @ChloeSmith0603 I don't know. Then I'll have a choice to make. #una vs. #duessa

This is sooo inappropriate. #imspencer @RainbowLuce

@ReidTamarareid you're=you are. Maybe my last day here & I have not saved a single soul.

I'm so good at been fake people think I am real, I am a real fake @spencerpratt #imspencer @XxGLAMMAxX

Claire & I are here at the Call-Centre Rylan's reading & I just saw Duessa walk in! Seemed like she saw me, gave a little halfsmile.

Saw Duessa hand some pages to a girl who was headed on stage & this passionate lass read Duessa's story in rhyme as tho it were her own.

Duessa apparently writes confessional slam poetry for other people to deliver & they're winning this crowd over. Might take the slam!

@SarahAnneJoulie just did. Said she was glad I was there. That she realized she'd probably given me the wrong # since she'd just changed it

@michaelmu sorry, the #imspencer game let's you put words in my mouth. Just Tweet a line you want Spencer Pratt to say with the hashtag.

Since Spencer Pratt is a character (he's highly scripted) I figure you all should get a chance to write his tweets. #imspencer

Every poet who reads 1 of Duessa's slam poems tells a different story as if it were their own: some funny, some sexy, sad. She's amazing!

I asked Duessa how she could let other people perform poems abt her life. She said they weren't abt her life. They were all made up.

I LOVE UNICORNS @gabyblamesnolan #imspencer

One of Duessa's poems won the slam! A pack of poets are going over to her flat to celebrate. She's invited me along!

I think I'm going to show Duessa the phone when we get to her flat. It's where I've done most of my writing for the past few weeks.

YOLO guys! #imspencer @Bee_Gbbn

In the #imspencer game, I'm not tweeting just anything you write. I want something poetic, clever, cool.

Look. It's really his. Whatever I type shows up in his feed. Do you want to try?

Wow. Ace. How did you get this?

am I duessa? Why are you calling me that?

At least she thought my having the phone was brilliant. Started laughing hysterically after her tweets posted.

Okay. A tad awkward.

@meganmachine Sorry, when I showed Duessa (not her real name) the phone, she thought it was brilliant: Una (ditto) was disappointed.

This is not my flat.

A & photo of Duessa half-smile, cocked newsboy cap on the night stand. Half-smile. Her flat?
Someone's in the wc. My head feels like I had my brains smashed out by a lemon wrapped around a gold brick.

Something's not right. The smell. The bed. The books about ramblemancy. At least I still had the phone in my pocket.

@SarahAnneJoulie sorry, I meant toilet. My head is murder.

I remember being at the poetry slam, the tube, a party after... then it gets a tad abstract.

@SarahAnneJoulie based on toppled empty bottles, looks like wine, cheap whiskey. absinthe?

I remember Duessa, poetry slam, the tube, a gaggle of poets... not this flat. maybe this flat. Dim sun thru window shade like a spotlight.

Based on all the flannel and jeans, it's a fellow's flat, and based on the sounds from the toilet, I'm about to find out whose.

Turns out he was very hospitable. Offered tea/toast (y/n). Fancies himself something of a writer, not like Duessa though.

Duessa's maybe bf told me he writes RPF, Real Person Fiction. Said it's like fanfiction but about real people. wonder if Una knows abt it.

I didn't wait around for Duessa. Figured bad idea to ask that fellow for her phone number. Back to the tube. Heading home.

Did think of a new game, tho. Describe what you saw when you opened your eyes on your worst morning after. Let's call this #prattfall

@devzy1D: @spencerpratt one direction posters😊😉 #prattfall

@Eamyoncanoe I hope not, not if people are concrete, specific, honest, clever. I'll RT & follow the favourites. #prattfall

RT @StevenMaso: @spencerpratt a group of Spaniards watching me wake up on a random bench after a night in out in Ibiza #prattfall

RT @Skeezy_McBeezy: @spencerpratt - someone else's eyes staring into my soul as I slept. Talk about #creepy :3 #prattfall

@lizamcfc87: @spencerpratt ohhhh too embarrassing #prattfall' Try. Choose some small, concrete detail you remember.

@daintydream Don't forget the hashtag #prattfall. It helps for collecting the tweets later.

Today's game was inspired by it: in #prattfall, you describe the first thing you saw when you opened your eyes on your worst morning after.

Really it's more like square 0 or -1. I've got to think about it. She was so great about the phone & me tweeting but...

I still feel like I have no idea who Duessa even is. The party? The bf? It's all foggy.

I have spent the afternoon reading online RPF, Real Person Fiction, that her bf told me abt. This stuff is brilliant. Una would love it.

@StephanyCollin1 it was as rough as this morning. Now I'm back at square one. No way of contacting Duessa. May have had tea with her bf.

24/01/2013  17:05  @courtneymcbainX  Courtney, I am following those who play the games. #prattfall #imspencer #shibboleth #mycbb #twouplets etc.

24/01/2013  17:13  Assuming there are no consequences, after Saturday you can follow me or unfollow me @tempspence

24/01/2013  17:16  @courtneymcbainX  you can read abt the old games here: http://t.co/xuUQoUaG search the hashtag for directions to the current game #prattfall

24/01/2013  17:18  @angie_hunter_ @tempspence yes, of course, I am going to return the phone. As they say, no fiction, no foul!

25/01/2013  5:09  Who's up? Any of the @tempspence poets? Can't sleep. My last day has dawned & so I don my mask one last day.

25/01/2013  5:11  @summerdanielle2  Good morning to you!

25/01/2013  5:16  @CesuRomero  I am a dead Pratt walking, I guess you would say. My last day as @spencerpratt. After this, I'll just be @tempspence

25/01/2013  5:22  Okay. a final game: the CBB celebs represent parts of all of us. We have an inner Rylan, Razor, Claire, Frankie, Lacey, etc. & Speidi!

25/01/2013  5:26  For this last game: Tweet about one of your inner CBB housemates. Advanced poets rhyme with some1 else's tweet & reply. Hashtag: #jungbro

25/01/2013  5:28  #jungbro stands for Carl Jung meets Celebrith Big Brother. Jung's anima/animus explain those who inhabit our individual big bro houses.

25/01/2013  5:29  @deycallmeGee @tempspence That remains to be seen.

25/01/2013  5:38  @LABarbie_xoxo  you have one more opportunity in #jungbro, or you can play later with @tempspence at the new account.

25/01/2013  6:38  #jungbro is the current game, but on this last day, feel free to play any old ones:  http://t.co/zBEUQi7m also #imspence #prattfall

25/01/2013  6:40  I will RT, favourite, & Follow those who play the games well!

25/01/2013  6:52  Over the 3 weeks I've been @spencerpratt, people never cease to request follows. It's a simple exchange: play the games & I shall follow.

25/01/2013  7:10  RT @1sugarnomilk: @spencerpratt stark against the blushing sky, with a twist of lemon and lime.silhouette of a sparrow, watch him as he ...

25/01/2013  7:17  @kyle_clarke_ that game works a little diff. In #jungbro, you write about a part of you as one of the cbb players: inner razor, inner rylan

25/01/2013  7:23  @kyle_clarke_ sure. My inner Razor is better than fibre when I am stopped up bc it scares the shite out of me. #jungbro

25/01/2013  8:01  RT @ShanaBraff: @Spencerpratt Higher than a mountaintop soaring ever onward, to the azure to which I'm lured, Never fearing the drop #ek ...

25/01/2013  8:10  So after reading all that RPF, I had this idea. What if I wrote some real person fiction about my life as @tempspence & gave it to Una?

25/01/2013  8:11  I mean, I could explain to her through the form she loves (fanfic) what I was thinking, show her I'm not the Pratt she thinks I am.

25/01/2013  8:17  @MUTHAEART you must look deep inside your crowded inner house: is there a Rylan or Claire ready to sing? A Razor ready with a wisecrack?

25/01/2013  8:23  @ianthebrush There you are! We need to talk! DM, ok?

25/01/2013  8:35  @DaynahRose @tempspence I AM making up my mind, I think. Even tho Duessa was all over Spencer's phone, Una seems to be interested in me4me.

25/01/2013  9:18  I've begun work on some RPF with the @tempspence poets. Maybe this will be all it takes to win Una. We shall see.

25/01/2013  9:32  RT @SeanHowitt: @spencerpratt I see you finding the phone as a scene similar to Bilbo stumbling across the ring in The Hobbit. The phone ...

25/01/2013  9:47  @nemi87 @tempspence Una is the clever, inked, & tattooed lass from the bookshop, writes fanfic. She was unimpressed w me using this phone.

25/01/2013  9:52  Are there any reality tv shows abt poets and poesy?
25/01/2013  9:58 Reminder, as I pack my bags, you can follow @temspence in the new account & see games here http://t.co/zBEUQi7m xxooxx
25/01/2013  10:04 This is the real Spencer. I want to say I forgive this poet fellow for all he did on my phone. Actually, I think he's kind of brilliant.
25/01/2013  15:21 All right. Fine. Maybe that wasn't Spencer. What do you expect? I'm getting nervous. My inner Rylan is going on a cursing spree #jungbro
25/01/2013  15:24 1 more day for you to play any of the @temspence games listed here: http://t.co/wVBDLuf8 for a RT, fav, or follow.
25/01/2013  15:33 I also wanted to ask your input on my romantic decision between Una & Duessa. I'm not entirely certain that was Duessa's bf yesterday.
25/01/2013  15:36 RT this if you think I should keep writing my Real Person Fiction with the poets, present my story to Una, & try to prove I've changed.
25/01/2013  15:40 RT this if you think I should keep trying to find Duessa, since she seems to like all my antics with the phone. Plus she's a poet!
25/01/2013  16:23 '@michaelmu: @spencerpratt Definitely Duessa..' really? You seem so sure.
25/01/2013  16:35 @michaelmu well, it's not obvious to me. I'm a man of reason and, er, passion so persuade me!
25/01/2013  16:51 @eggnogfog Love is a game. And if you don't want to win, why are you playing the game?
25/01/2013  17:14 RT @michaelmu: @spencerpratt You seem to connect with Duessa on a personal level.. Like the puzzle piece fits. I have a good feeling abo ...
25/01/2013  17:14 RT @michaelmu: @spencerpratt Its difficult between the 2.. Una just strikes me as a solitary woman, thats living in her own world.. Doin ...
25/01/2013  17:16 @TalanLautner in the #imspencer game, you tweet & tag something you wabt @spencerpratt to tweet. Did you want me to say this?
25/01/2013  17:41 @michaelmu you realize she gave me a fake number and ditched me at some fellow's house, possibly her bf?
25/01/2013  17:42 I'm just concerned that Duessa's fascination with the phone is another sign that she's not really interested in me-me, just the spencer-me.
25/01/2013  17:54 @michaelmu IDK. I've been working on some RPF with the @temspence poets to present to Una. Might just win her fanfic-writing heart.
25/01/2013  18:13 '@sven111: @spencerpratt it's the you not the Spencer you that's intriguing' This is my greatest doubt. Who is @temspence w/o Spencer?
25/01/2013  20:17 Cbb is life. Tweet about some1 you live with using the name of a cbb contestant. I'll RT & maybe follow my favs. Use the #mycbb tag
25/01/2013  20:19 Here's the story the @temspence poets & I wrote for Una. It's Real Person Fiction. We wrote it this morning http://t.co/zBEUQi7m
25/01/2013  20:20 Instead of writing the story about Spencer, we wrote it about me, about what my life has been like since I found the phone. @temspence
25/01/2013  20:22 Mind you, I am following the will of the people cbb-style. Twice as many of you voted for me to pursue Una as Duessa. So, to the bookshop!
25/01/2013  20:30 Remember the lesson I've gleaned from the @temspence poets: When all else is in doubt, the words are always real.
25/01/2013  20:33 '@noswal16: sitting drinking tea waiting for big brother whilst Claire is on her ipod singing away to tragedy eating a crumpet' Ace! #mycbb
25/01/2013  20:35 Una's reading the story, head tilted into the light, lips in a sweet smile. She says thank the @temspencepoets for me & lays a hand on mine
I do not know my fate, but you can follow me & the poets @tempspen @tempspenamp; find games & the story here http://t.co/zBEUQi7m

'@ChloeSmith0603: @SarahAnneJoulie @spencerpratt @tempspen I hear Spencer's claws are 'Razor' sharp :) #mycbb
