2/1/2013 6:18 OMG!

2/1/2013 6:20 Woh

2/1/2013 6:23 Yes, cheers, everyone, this is actually Spencer Pratt!

2/1/2013 6:32 And I am married to Heidi Montag. Wow.

2/1/2013 6:35 I can see that there are lots and LOTS of you following this feed. Brilliant.

2/1/2013 6:38 @WhatNotToWear13 no, I am definitely NOT hacked. This is me tweeting from my account.

2/1/2013 6:40 Now, surely, I could not reply to each of the messages you are all tweeting, but let me try a few.  
Okay?

2/1/2013 6:41 RT @eeevaaa6: @spencerpratt please can I have a retweet?!

2/1/2013 6:42 This is awesome!!

2/1/2013 6:43 RT @chiichii916: @spencerpratt you never pick me ! Retweeeeeeeet

2/1/2013 6:44 @rdrags51 thank you, I think.

2/1/2013 6:49 @alvescindy How about you?

2/1/2013 6:50 @katiebarnesss go love, dear girl! It is a splendid thing!

2/1/2013 6:56 @danton3 yes, of course, BUCS or ULU?

2/1/2013 6:57 @abbyhamblin yes, Heidi is the epitome of generosity!

2/1/2013 6:58 @brenn\_btrlover what is reoly?

2/1/2013 7:00 @Lady\_Noga Yes, I would give you a chance. Why wouldn't I. I suppose some people use their fame to be selfish, but I see no reason for that.

2/1/2013 7:01 @PasccMarie tweet!

2/1/2013 7:02 @abbyhamblin Doesn't my status say that? Yes.

2/1/2013 7:03 @Jesscosgrove what kind?

2/1/2013 7:03 @RupaliJain96 are we? Did we meet?

2/1/2013 7:03 RT @KateMcCurry: @spencerpratt I would love it if I could get a retweet!! ðŸ˜œ

2/1/2013 7:04 @katiepool what question, my dear?

2/1/2013 7:05 @MrsDHammond @eeevaaa6 why am I not a role model. I am enrolled in a political science degree.

2/1/2013 7:06 Do I really just keep retweeting you all? Wild.

2/1/2013 7:07 RT @amandamalik12: @spencerpratt what everyone gets a retweet but me! :( can I have a retweet please? @spencerpratt

2/1/2013 7:08 @rachel\_30xo your life is made.

2/1/2013 7:08 @MarkRobertCash well, then, happy birthday!

2/1/2013 7:09 @RupaliJain96 sorry. My memory isn't what it used to be. Refresh me.

2/1/2013 7:10 @KateMcCurry I think you mean 'you're'.

2/1/2013 7:12 @MrsDHammond @eeevaaa6 yes, you should really listen to Mrs D Hammond. Everyone should try to behave nicely!

2/1/2013 7:14 @VinceRodino how about what now? My fingers can barely keep up with all these tweets. It's like nothing I've ever seen!

2/1/2013 7:15 Maybe I should just say: I love you all followers, except maybe the people who are tweeting nasty things about me right now.

2/1/2013 7:16 Although being a celebrity, I suppose I have the magnanimity to love even those who spew forth twitter hate!

2/1/2013 7:17 RT @bluecupcake416: @spencerpratt I love you â™¥ RT if you see this tweet :P

2/1/2013 7:18 @RupaliJain96 dear me, you are insistent. Didn't I reply to you already? Or did you want a retweet?

2/1/2013 7:19 Surreal doesn't begin to capture it!

2/1/2013 7:19 @amandajharris97 and I love you!!

2/1/2013 7:22 RT @elishabee: @spencerpratt omgggg, if only you'd retweet me ðŸ™¸ as if though.

2/1/2013 7:22 @hanalord yes, I have a cardie with that embroidered into it!

2/1/2013 7:24 @Rachel\_Garland and I wish the same to you!

2/1/2013 7:24 @DrewTempleSwag it is really quite a lot to keep up with!

2/1/2013 7:25 RT @eilidhbr: A RT from @spencerpratt would make my 2013 :D

2/1/2013 7:25 @KateMcCurry I miss so many things. Life is short and too soon spent!

2/1/2013 7:26 @LauMrsLaurah but is that enough to motivate a twitter exchange? Think about it.

2/1/2013 7:26 @eeevaaa6 be kind. Rewind.

2/1/2013 7:28 @haychiiebaby lol!

2/1/2013 7:29 @tbrownee brilliant! You?

2/1/2013 7:29 @carlcfa yes, I study political science there.

2/1/2013 7:29 RT @LaurenPopeFans: a RT from @spencerpratt would definatley make my 2013 new year remember-able

2/1/2013 7:29 RT @sassyyysam: can @spencerpratt retweet me I WANNA MAKE IT A FACEBOOK STATUS

2/1/2013 7:34 @KellieDiMaggio I want you to know that I have noticed you, and I apologize if I neglected you in the past.

2/1/2013 7:35 @armstrongtyson sorry, dude. Fate has a way of taking me off course! Perhaps next time! Dude!

2/1/2013 7:36 RT @GainesAlyssa: @spencerpratt I think I should get a rt too, it will only be fair (:

2/1/2013 7:37 @bithoodlum again, 'you're'.

2/1/2013 7:37 @RupalJain96 you seem to think you are. But look at the poor girl getting attacked by the australian lady. That deserves attention, no?

2/1/2013 7:38 What's all this about crystals? Can someone fill me in? I'm ata a loss.

2/1/2013 7:39 @carlcfa good luck to you!

2/1/2013 7:39 @Mcguire014 what?

2/1/2013 7:39 @aliciarrrrr is a silly jilly.

2/1/2013 7:40 @chantelle\_jr um, that's rather harsh.

2/1/2013 7:42 @eeevaaa6 stay awesome, young lady!

2/1/2013 7:43 @yeahsoup and you are mine.

2/1/2013 7:43 RT @AudreyGaines1: Retweet me please!!!!!!!!!!!!!! @spencerpratt

2/1/2013 7:43 RT @marielcid\_: @spencerpratt Your replying ' & rt'ing everyone . Are you ignoring me ?

2/1/2013 7:43 RT @cindylunderwood: @spencerpratt has a sweet tat, he may have a cat, but I highly doubt that #rapsforspence RT?

2/1/2013 7:44 @AudreyGaines1 thank you!

2/1/2013 7:44 @BobbyMir what are all those letters?

2/1/2013 7:45 This is truly exhausting! But lovely!

2/1/2013 7:45 @aliciarrrrr what does that mean? Is that a meme I haven't yet encountered?

2/1/2013 7:46 @Abi\_Hancock you're (sigh)

2/1/2013 7:46 @PUNKAsMOMMY what is not to like about Santa Barbara?

2/1/2013 7:49 @\_helloimalice\_ yes, all the tweets that use my @ show up in my TL.

2/1/2013 7:49 RT @AshtynGaines: @spencerpratt PLEASE RT ME !!!!!!!!!!!!!!! :)

2/1/2013 7:49 @DMG\_876 lots of reading. Cloud Atlas is brilliant. Raw Shark Texts. Oh and I highly recommend Invisible Cities by Italo Calvino!

2/1/2013 7:50 @MzLaTiNaHeaT very well. We just received a new tea set as a gift.

2/1/2013 7:50 @paaigey do not be sad due to twitter. #notworthit  
2/1/2013 7:51 @catherinecainnn perhaps not your entire life.  
2/1/2013 7:52 @gisselleeee\_ hi  
2/1/2013 7:52 RT @leyagb95: @spencerpratt should so retweet me seeing as he unfollowed me ðŸ˜€ plus it would make me happy!!!  
2/1/2013 7:52 @LayanPb me too what?  
2/1/2013 7:52 @StephenFMark can you give me some options?  
2/1/2013 7:53 @MariamElasmar mine too!  
2/1/2013 7:53 RT @MikaylaB1: @spencerpratt please rt or follow me!! Xxxxxxx  
2/1/2013 7:53 @shaqattack3 pears  
2/1/2013 7:54 @shodyisakillah tonight!  
2/1/2013 7:54 This rt-ing is wearing out my thumbs. Perhaps a challenge is in order: rt's only for haikus  
2/1/2013 7:56 RT @petershaw1984: @spencerpratt do you ever get the feeling you are being watched?  
2/1/2013 7:57 @\_helloimalice\_ hey, I heard that.  
2/1/2013 7:57 @ZoeOkeefe see my haiku challenge.  
2/1/2013 7:58 @kelle\_gates happy birthday, dear! May your year be a delight!  
2/1/2013 7:59 @JacquelinePoole I'm having difficulty remembering all the people I encounter via twitter. Please don't take offense.  
2/1/2013 8:00 @MzLaTiNaHeaT ?  
2/1/2013 8:00 @chantelle\_jr oh, all right then. Cheers.  
2/1/2013 8:01 @HoranKisses20 it is a bit exhausting.  
2/1/2013 8:02 Was that right? #qualitylaugh I've honestly never seen that one.  
2/1/2013 8:02 @waterrob lol #qualitylaugh  
2/1/2013 8:03 @BakerNikita really? You can do that poorly?  
2/1/2013 8:04 @eeevaaa6 or good morning!  
2/1/2013 8:05 Well done '@hannahw430: @spencerpratt oh i miss speidi//best reality couple//come back to me please'  
2/1/2013 8:07 Though @hannahw430 I believe haikus require a reference to nature.  
2/1/2013 8:08 @cassandra1128 not the traditional 5-7-5, but I like it.  
2/1/2013 8:08 RT @cassandra1128: @spencerpratt Waiting on the moon To bask in the sun New year  
2/1/2013 8:10 They call it the kigo, aka a seasonal reference. Be sure to include at least one. #haikus4rts  
2/1/2013 8:14 RT @BlowingTree: @spencerpratt The crystal is bright But the dark will block its shine Until the moon wakes  
2/1/2013 8:14 RT @rachfranklin123: @spencerpratt Spencer and Heidi An interesting couple Life is hard always  
2/1/2013 8:15 @hannahw430 are you counting syllables or is this one of the newfangled sort?  
2/1/2013 8:17 RT @yoursuchaSKANKK: @spencerpratt winter time is sad summer makes me happy true I'd spend seasons with you  
2/1/2013 8:17 @laurenlines do you think llamas might be related to unicorns?  
2/1/2013 8:18 @yoursuchaSKANKK can you use / to show your line breaks? Love the enjambment!  
2/1/2013 8:19 RT @eeevaaa6: @spencerpratt spencer Pratt is cool/ spencer Pratt is so awesome/ the sky is so blue  
2/1/2013 8:20 @SarahAnneJoulie yes, though not everyone subscribes to the syllable count because they are not the same as \*on\*.  
2/1/2013 9:26 @yoursuchaSKANKK like it, but line breaks?  
2/1/2013 9:26 @MariamElasmar hmm, not quite a haiku. Keep trying. Revision is key!  
2/1/2013 9:26 @Pughshley4 so one is possessive; the other a contraction. I hardly think it's difficult to remember.  
2/1/2013 9:26 @Norixmaidana that would be a lark!  
2/1/2013 9:26 @JodieStarkx there's this unfollow button, luv.  
2/1/2013 9:26 @bethanystiles1 There's reality/and then there's reality/real as melted snow.  
2/1/2013 9:26 @Norixmaidana but I am not in LA.  
2/1/2013 9:27 Truly amazing morning. One I will not soon forget.  
2/1/2013 9:27 All right. I need to attend to some business. Keep working on your haikus, luvs! Cheers!  
2/1/2013 9:27 @md3sai needs a kigo.

2/1/2013 9:27 @daliahendo who is your sister?  
2/1/2013 9:27 @Jenny5o3 It's not just poetry I'm in search of. #haikus4rts please read the guidelines.  
2/1/2013 9:27 @katiieex33 sweet, though rhyming is superfluous in haiku.  
2/1/2013 9:27 @SagitJefferspin kigo or no-go, chap  
2/1/2013 9:27 @mirandajaye You are about to do a header into a Limerick!  
2/1/2013 9:27 @sandramosley It feels like the first day of a new life for me. Kisses.  
2/1/2013 9:27 @yoursuchaSKANKK now no more submissions from you until you add the kigo!  
2/1/2013 9:27 @rachfranklin123 what part of Ormskirk? I love it there. Once went to New Park Wood. Delightful!  
2/1/2013 9:27 @HeyImFrvrAlone love it!  
2/1/2013 9:27 @KassiPowell haikus, please #haikus4rts  
2/1/2013 16:10 Thank you to all who tweeted their haikus. Perhaps this evening we can try villanelles!  
2/1/2013 16:13 @PaulaColeT wait, what does that mean???  
2/1/2013 16:19 @PaulaColeT when is that???  
2/1/2013 16:20 @ianthebrush Nice Limerick, but I need villanelles today. Might require multiple tweets, sir.  
2/1/2013 16:28 @PaulaColeT I don't know what you have heard about me, but I WILL be tweeting for a long time.  
Why would I stop this?  
2/1/2013 16:29 @ianthebrush a man must have standards, should he not?  
2/1/2013 16:30 @Holi\_Barton dear girl, happiest of birthdays to you!  
2/1/2013 16:32 It is AMAZING how much stock people put in the twitters of celebrities: follow, rts, etc. are treated like the most generous of gifts.  
2/1/2013 16:34 And yet, do celebrities realize what power they wield in 140 characters, the power to bring an emoticon smile to someone's feed? I doubt it.  
2/1/2013 16:35 Well, I am hereby asserting that I am a new man on Twitter, like Scrooge after the ghostly visits, a man of generosity and deep good will!  
2/1/2013 16:39 If I don't answer your tweets immediately, I sincerely apologize. I have a few matters I'm attending to. A celeb's life! Heidi Montag & all  
2/1/2013 16:50 Oh, and clearly I found my phone. It was lost under Heidi's intimates, tremendous as they are. Thanks for the concern.  
2/1/2013 17:42 @misslisacarroll hardly, metered forms are some of the simplest. Primary school children churn them out with ease!  
2/1/2013 18:03 @abbieebartlett You have been trying that line for a while now. Are you new to last name puns?  
2/1/2013 18:04 @misslisacarroll A for effort.  
2/1/2013 18:12 @simpletonmail why yes, it is! I tried that this morning and now my fingers are sore!  
2/1/2013 18:13 @gemmafinkill a box of frogs! I must write that one down!  
2/1/2013 18:16 @DenningC no, I don't believe so.  
2/1/2013 18:17 @daliahendo is she on twitter? Why is your handle her name? Why is your profile picture an egg?  
2/1/2013 18:18 @gemmafinkill How about if I just embody it? :)  
2/1/2013 18:19 RT @misslisacarroll: @spencerpratt Football is almost done for the season| what will I ever do| Baseball I guess I need a reason| I coul ...  
2/1/2013 18:19 RT @misslisacarroll: @spencerpratt (continued ) Reruns there are a slew| Sounds good because outside it's freezin'. How's that for a vi ...  
2/1/2013 18:23 @daliahendo well, that is all remarkably strange. But, Dalia, enjoy the end of being single. May you be as happy as I am!  
2/1/2013 18:41 @abbieebartlett classy.  
2/1/2013 18:57 @abbieebartlett You know reality tv is largely scripted. I am not the man you think I am. I attend university, write & read poetry...  
2/1/2013 19:04 As Sir Elton sang: I'm not the man you think I am at all. Oh, no, no, no!  
2/1/2013 19:15 @Laura\_Burns shiz will be f-ed.  
2/1/2013 19:15 @Ham\_Shitviak why are you shouting, dear girl?  
2/1/2013 19:16 @ThePiecesOfE Well, that's up to interpretation, no? Awkward.  
2/1/2013 19:22 In the right hands, celebrity Twitter accounts, such as mine, could actually be used to affect positive change in the world. I wonder...

2/1/2013 20:46 London rocks. Across the pond, they have nothing that can compare!

2/1/2013 21:16 @JimmyLee1987 then

2/1/2013 21:21 @djmicahuk19 to match what? I lean Burberry.

2/1/2013 21:25 @JimmyLee1987 try harder. Correct spelling & grammar are keys to success in life.

2/1/2013 21:34 @WhatNotToWear13 Please consult my previous Tweet.

2/1/2013 21:42 @Angela\_MacF I once knew a lovely girl from Armagh. Go Cuchulainns!!

2/1/2013 22:00 Twitter break to recharge my crystals w my wife Heidi. She's taking a break from reading V Woolf's Waves. Luvs it more than Lighthouse!

2/1/2013 23:11 I've got to turn in now. Wiped out from London & all this tweeting. But feeling charged enough for Heidi. ;-) Luv to u all. Cheers!

3/1/2013 7:03 Good morning, London! Good morning, Twitter! I'm back! What shall we tweet about today?

3/1/2013 7:07 I had the most amazing dream my poem was accepted by <http://t.co/ez13dpxF> for issue 2! Truly ace!

3/1/2013 7:09 @critagel oh, I'm much too shy for that!!

3/1/2013 7:10 @UKKardashDolls great idea! Let me see if Heidi is up for a little shopping!

3/1/2013 7:13 I came across a notice for The West Port Book Festival in Edinburgh and thought Heidi & I might grab a flight!

3/1/2013 7:16 @KatzannY my poem is about loss & soulsearching, but I use a metaphor of a tarantula egg.

3/1/2013 7:21 @LisaBanks88 'buried in a burrow/ no hatchlings awake/ the web breathes still'

3/1/2013 7:26 @patrickmirani I recommended Invisible Cities yesterday morning. I would add 'House of Leaves' and 'Rayuela' (Hopscotch).

3/1/2013 7:29 Of course, being Spencer Pratt has no impact on my ability to place poems! I must slog away at my craft like everyone else!

3/1/2013 7:32 @patrickmirani I have been on a bit of a metfiction binge lately. Tweet me if you enjoy them as much as I did.

3/1/2013 7:35 @ChrisOsmoreNY and even in translation, his prose is so beautiful. (I can't read Italian.)

3/1/2013 7:37 @CoreOrange thank you! I want to put together a chapbook, too. Maybe even something handmade. IDK.

3/1/2013 8:03 @Amanda\_Nash\_ @patrickmirani well, as I mentioned, Heidi's been reading Woolf's Waves, though I rather prefer Dalloway!

3/1/2013 8:06 I rather fancy myself a Septimus figure...Fear no more, says the heart...

3/1/2013 8:09 Heartily! '@HarjitSarang: @spencerpratt Will you support your gay followers by RT'ng a 'Yes' in support of #equalmarriage please?'

3/1/2013 8:14 @krsee32 editors are so fickle!

3/1/2013 8:17 Once you fall...human nature is on you. Holmes and Bradshaw are on you. They scour the desert. They fly screaming into the wilderness.

3/1/2013 8:18 The rack and the thumbscrew are applied. Human nature is remorseless. (Ah, so painfully beautiful... So true.)

3/1/2013 8:21 @Ggi\_May oh, dear, right. I've turned it into some sort of Chinese dynasty! Sigh.

3/1/2013 8:25 Can anyone recommend little bookstores in London where I might find some quality poetry? I'd like to buy something special for Heidi.

3/1/2013 8:26 @Ggi\_May touche!

3/1/2013 8:28 @Blu\_glitter yes, I know all about those. But I'm looking for favs. Undiscovered gems! The more obscure the better!

3/1/2013 8:30 Right, excellent! '@Dancox1984: @spencerpratt waterstones x'

3/1/2013 8:33 Planning out my day as a movable feast of these! '@cuntkenny: @spencerpratt John Sandoe, on Backlands Terrace or Waterstones, on King Road'

3/1/2013 8:35 @Oog OMG, I saw the miniature print exhibition there. Simply brilliant! #lovefoyles

3/1/2013 8:37 @JadeKayaMcNicol yes, agreed.

3/1/2013 8:41 RT @LuShuMuFu: @spencerpratt waterstones is more of a chain- I would try Foyles, Charing Cross / Joe Sandos Books, Chelsea or Black Gull ...

3/1/2013 8:42 @Oog to be lost among belle lettres is to be found...always.

3/1/2013 8:46 @carriepIumb I remember the 1st time I stepped through Hatchards doors, the staircase spiral, like the first time I laid eyes on Heidi.

3/1/2013 8:49 Btw, while we're on the subject of poetry, how do you all feel about Kenny Goldsmith?

3/1/2013 8:58 @epounders08 I have. I'm just trying to stir up a discussion. It occurs to me that twitter could be a useful forum for a poetry circle.

3/1/2013 8:59 For I am crazy Spencer, always stirring things up, whether on The Hills, my uni, or elsewhere!

3/1/2013 9:05 RT @kalouha1: @spencerpratt anything by pablo neruda. 'i want to do to you what spring does to the cherry trees' - flawlessly amazing

3/1/2013 9:12 RT @bushell: @spencerpratt daunt books on marylebone high street is worth a visit

3/1/2013 9:30 @clairesmith1984 @Dancox1984 oh, really? Do tell. ;)

3/1/2013 9:46 Off to do a little bookshopping. Perhaps some writing, too. Why don't you try & we'll compare fruits tonight or tomorrow like Sir Gawain!

3/1/2013 10:39 Yes, I do prefer the Oxford comma!

3/1/2013 10:39 Proposal: everyone write at least 1 line of poetry, tag it #spencerian, & we'll make a big cadavre exquis! Theme: The Hills are alive!

3/1/2013 15:30 Found this wild book of poetry for Heidi. It's called Between Page and Screen by Amaranth Borsuk: some kind of augmented reality poetry.

3/1/2013 15:31 It's got those square codes you can scan with a camera, makes things pop right off the page!

3/1/2013 15:32 Turns out she attended my uni, though I don't believe our paths ever crossed. Brilliant concept, though.

3/1/2013 15:34 My fellow poets, don't forget to use the hashtag #spencerian to join in our little cadavre exquis w the theme: The Hills are alive!

3/1/2013 15:35 @ianthebrush now that's not a very nice question to ask a loving husband, is it, mate?

3/1/2013 15:39 From the looks of this feed, the Spencer haters have emerged today. Oh & they think the Pratt lastname joke is very clever. V original.

3/1/2013 15:42 N.b., The #spencerian lines do not have to rhyme! We can combine them later in various orders. That's the beauty of this particular game!

3/1/2013 15:44 @MelanieSands you should really see it in action. There is probably a demo somewhere online. It is truly ace!

3/1/2013 15:49 @hotelallison Twilight's fans are no doubt just as rabid as reality tv fans, so I'll refrain from comments on that particular Mary Sue tale

3/1/2013 15:51 RT @MelanieSands: @spencerpratt You're right, it is very cool: Here's another cool online demo of Between Page & Screen' it: <http://...>

3/1/2013 15:51 @JoHnnY\_Boiiiiii if you wish to be included in the cadavre exquis, you must use the #spencerian hashtag.

3/1/2013 15:52 @MelanieSands isn't it brilliant? Usually I don't need my poetry augmented, no fancy illustrations, but this work is charming.

3/1/2013 15:55 @JoHnnY\_Boiiiiii Yes, if you wish it to be included. Hashtag facilitates search & weeds out all the @spencerpratt tweets calling me an arse

3/1/2013 17:42 Many of you have begun DMing me links to your chapbooks and online poetry. All I can say is: thank you! Cheers!

3/1/2013 18:25 While I'm thinking on it, are there any good poetry readings (slam or otherwise) over the next few weeks in London or surrounding area?

3/1/2013 23:52 Okay, Let's get back to poetry! I gave you the Sir Gawain challenge. I went on the hunt, what do you have to share? What did you write?

3/1/2013 23:58 @Laura\_springer come on, girl, it's reality tv. I get special exceptions. Are you really surprised? Now back to poetry!

4/1/2013 0:03 @RenaeeWalters you're

4/1/2013 0:05 Listen, tweeps, keep calm and carry on. This is perfectly explainable. I have been allowed to tweet as a plot device in the season.

4/1/2013 0:09 Can we PLEASE just get back to discussing more important things. Don't blow a fuse over nothing. It's just how reality tv goes.

4/1/2013 0:16 Everyone treats this shit as if it were sacred. It's all a game. So I can tweet. So what? Heidi's right here telling me what to write.

4/1/2013 0:26 @MissSunshine079 allowed

4/1/2013 0:32 Now, who's got some new material for our cadavre exquis? Remember to use the #spencerian tag, and it does not have to (read:shld not) rhyme.

4/1/2013 0:43 A few of you have asked for me to snap photos. Now surely that would not be allowed, or, as some would have it, aloud.

4/1/2013 0:49 @GillianCWard Now you are just baiting me, young lady!

4/1/2013 0:54 Can't we just move on to another topic? I followed you, RTed you, responded to your questions accurately. The rest can sod off!

4/1/2013 1:25 RT @srlove85: @spencerpratt #spencerian pokes pickled pockets @ the pity party while prodding pots and pans and paper mans :) x

4/1/2013 1:27 For the love of God & for the LAST time, I found my phone in Heidi's purse!! Getting so very tired of this.

4/1/2013 1:45 The show's writers are working right now on a cover story to play with you. Don't be surprised if I deny all this on next week's show.

4/1/2013 3:31 Can't sleep

4/1/2013 3:36 Or euros, dollars, yen!

4/1/2013 3:36 I'll tell you this much: if someone did find my phone, I bet it'd be worth a few quid.

4/1/2013 12:02 Thanks for the concern. No hacking here. Actually it's good I found my phone. Contacts, pictures, all sorts of things some1 might want.

4/1/2013 15:25 Surely, the tabloids would have a field day with the contents of my phone, their cup o' tea. :)

5/1/2013 13:03 Well, dears, it appears people suspect I am not the real Mr. Pratt. If that were so, then I would be a man with a phone to sell.

5/1/2013 17:01 @tinamillward n.b., there is a vast chasm between stolen & found.

5/1/2013 22:25 Some have suggested that this is NOT my phone. To them, I share one of the many photos of my lovely wife Heidi. <http://t.co/rUi6gdTW>

5/1/2013 22:26 There are many more where that came from that I could share, given the right incentives...

5/1/2013 22:40 @DebbieL06 have a butchers. Let me know when you find it.

6/1/2013 14:54 Just another taste of what's on my phone. DM me with serious inquiries. Isn't Heidi so fit?! :)  
<http://t.co/lh5F6Dhl>

6/1/2013 15:05 And while you're at it: I challenge you to come up with puns on the name Spencer. Even I've become bored of the Pratt joke.

6/1/2013 16:06 RT @gleavitt1983: @spencerpratt challenge accepted. 'She spencer time in front of a mirror putting on make-up and doing her hair.'

6/1/2013 16:07 RT @JoHnnY\_Boiiiiii: @spencerpratt hey I just bought a new gumball di-spencer.

7/1/2013 8:23 It's quite refreshing to see how much more creative even haters can be, punning on Spencer rather than Pratt. Really Ace!

7/1/2013 8:26 @mcoop oh, right.

7/1/2013 17:54 @heidilovers I see a message but no offer. :(

7/1/2013 22:05 No true offers for the contents of the phone. Figures. Spencer's too far down the celeb list, I suppose. Poor bugger.

7/1/2013 22:09 This is the UK and I can't SELL a ruddy mobile of a celeb?! What happened to this country?!

7/1/2013 22:14 & people keep tweeting: this isn't REALLY Spencer! A reality tv star= ventriloquist dummy: saying other people's words as if they were yours

7/1/2013 22:26 You mean, me, rt? The one tweeting. Rt? '@hcapurro: @spencerpratt I love you dude â€œ'

7/1/2013 22:27 @raeskarma that would mean it's legal, right?

7/1/2013 22:32 Found/=stolen '@StephD2708: @spencerpratt Could be because in the UK it is a crime to handle STOLEN GOODS'

7/1/2013 22:33 Suggestions? '@angie\_hunter\_: @spencerpratt.. So you have custody of the phone, and this is what you do?! #fail'

7/1/2013 22:36 @xJox86x @StephD2708 double check that, dear. Was it Spencer or @Spencerpratt who claimed that?

8/1/2013 8:20 Can't sell the phone. Peeps DMed me & said I can keep using the account till he gets kicked out of the house.

8/1/2013 8:22 They still don't know who I am & I'd prefer to keep it that way, except it hit me that this is my big chance, sort of.

8/1/2013 8:24 If you haven't guessed, I'm something of a budding poet here in the UK. Poets don't exactly have Speidi-sized readerships.

8/1/2013 8:27 So if I can't sell this ruddy phone, I COULD get my verse out. There. Just can't let on who I am. Call it the bollocks paradox.

8/1/2013 8:28 Some of you might just call it bollocks bc you think I am one of Spencer's friends or PR men. Fine. I can't change that.

8/1/2013 8:30 But how could I let you know who I am without anyone ever figuring out my identity? I propose we play a game.

8/1/2013 8:32 1st: you kept tweeting I wasn't really me bc I didn't talk right -- or I wasn't arsehole (bell end) enough. Fine.

8/1/2013 8:37 So I started thinking, how would I prove to my mum or a mate it was me? Not Spencer me, but me-me. What would I have to tweet?

8/1/2013 8:38 And angry mob of spencer-following tweeps, how, for that matter, do I know it's you and not some fake you? Someone pretending.

8/1/2013 8:40 I've been watching Spencer on this show thinking: ok so the Hills was a fakehim, is this the realhim? How would he prove who his Me-me is?

8/1/2013 8:41 So let's play a game...

8/1/2013 8:43 Tweet something that proves you are you, not someone pretending to be you, but You-you. Not dinnerwiththecar you but the intheloo you!

8/1/2013 8:44 A book I read called this a Shibboleth. (Look it up, mates) Tweet a something that only you could with the tag #shibboleth

8/1/2013 8:46 I don't mean a password or your birthdate or your mum's name. Actually anyone could find out those. Let me give an example... #shibboleth

8/1/2013 8:51 In primary, there was 1 drinking fountain you knew to avoid (the 1 behind the headmaster's office) because it was ALWAYS manky #shibboleth

8/1/2013 8:53 Noone but my old mates would know that, and it would be a good test to see if it were really 1 of us or just some impersonator. #shibboleth

8/1/2013 8:55 So let's play this game. What is your #shibboleth? Prove that it's you. Gawainstyle we'll share what we come up with at the end of the day.

8/1/2013 8:56 I will assume if you tweet it, I can retweet it. I will choose from my favs. #shibboleth

9/1/2013 14:50 RT @joshuamighty: @spencerpratt I do my Kundalini for an hour when I'm sad. #shibboleth

9/1/2013 14:57 I like dactylic more than trochaic. #shibboleth

9/1/2013 15:44 We all have r ticks '@angelakey6: @spencerpratt #shibboleth Can't believe all these Weird phobias? Feeling extremely normal at the moment..'

9/1/2013 16:27 @zeekelder 10 points for gryffindor! Touche!

9/1/2013 17:06 If devo max came to pass I'll secretly miss Scotland, but of course I could never say it oot loud. #shibboleth

9/1/2013 17:23 @amycote23 Those who know me (MeMe not HimMe) will get it. That's how a #shibboleth works.

9/1/2013 17:47 @amycote23 you see my bind, dear. Maybe I do, maybe I don't. How could I possibly tweet that?

9/1/2013 17:54 Feeling a sense of gathering gloom (if #teamspeidi are evicted from cbb). I tremble in the consciousness of Doom.

9/1/2013 17:55 @amycote23 hopefully not by a visit to the clink.

9/1/2013 18:28 Might be last hours 4 #shibboleth game. N.b., doesn't have to b a phobia, just something that would identify you to mates or mum.

9/1/2013 18:29 E.g., I had a longtime crush on Martine Croxall. Nobody I'd rather have read me the news. #shibboleth

9/1/2013 18:55 RT @LisaMarie921: @spencerpratt I had a longtime crush on Tom Petty, since 6th grade! He's twice my age & all my friends made fun of ...

9/1/2013 19:02 Ran into 1 of my flatmates on the way back from cornershop, asked me for the rent. This mobile could've solved some problems.

9/1/2013 20:06 I'd like to feel I'm the Ed Miliband type but my friends think I'm more of a David. Sigh. #shibboleth

9/1/2013 21:02 Let's see what happens. My fate is in your hands and then, no doubt, those of the authorities. Go #teamspeidi!

9/1/2013 22:43 God Save Speidi! Cheers! God Bless You All! #reprieve!

10/1/2013 14:42 What a glorious day it's been after yesterday's vote! Slept in till about noon, awoke hugging my hottie like Spencer would Heidi.

10/1/2013 14:50 Don't get chuffed. My hottie is a worn hot water bottle from back home.

10/1/2013 14:58 @brodywills You guessed it! But now that you ask, there is a certain someone I've got my eye on. She works at the bookshop near my flat.

10/1/2013 15:05 @GennaKenyon There's the rub. I obviously have 1 & would like you all to know it but the current circumstances make disclosing it unwise.

10/1/2013 16:23 I wonder if she'd be impressed if I told her about the whole phone thing, showed it to her.

10/1/2013 16:30 I doubt she follows @spencerpratt. Not that type of girl.

10/1/2013 16:56 I could show her the phone, tho. We've only talked in the shop, book & poetry recs mainly. She pointed me to Noel Williams & others.

10/1/2013 17:01 @jillianburtonuk No more than anyone does, which I'd contend is not at all. But I think I will pick up his book today. Trip to the bookshop!

10/1/2013 22:20 Didn't have the steans to show her the phone today. Didn't have the energy to leave the flat. Maybe tomorrow.

11/1/2013 0:02 I should come up with a new game for us to play tomorrow. That #shibboleth one was fun. You tweepies are clever. Xxoo

11/1/2013 6:31 Why am I up? The guilt. The opportunity. Well, fake opportunity. And then I had an idea for a game.

11/1/2013 6:38 @deycallmeGee my nose peels, the rest flakes #twouplets

11/1/2013 6:51 @sydneycunanan to hashout the plot of rejecting telly hate instigation #twouplets

11/1/2013 6:52 Still working out the kinks, obviously. Let me try a few more.

11/1/2013 6:56 @sydneycunanan hang on, let me try a few more.

11/1/2013 7:02 @itsamandaross for that would far exceed the pain of living in this hovel #twouplets

11/1/2013 7:13 @StephhM96 for the noticed never notice, nor can follow those who hollow be #twouplets

11/1/2013 7:34 @Mrock85 played basses... whine of mardy strumming #twouplets

11/1/2013 7:37 Game's shaping up. I'm off to see my bookshop love. Wish I could tweet her name. For now, I'll just call her Una as t' other Spenser would.

11/1/2013 16:06 All right. Headed into the bookshop. Time to see what Una thinks of all this, the phone & all. Wish me luck!

11/1/2013 16:13 See it's really me tweeting from this phone!

11/1/2013 16:14 I can send any message I'd like. Like, Rosie Shepperd is the most amazing poet ever!

11/1/2013 16:15 Imagine the possibilities! You can try it if you want. Go ahead.

11/1/2013 16:16 maybe u should give the fone back

11/1/2013 16:27 Bugger me. That didn't go well.

11/1/2013 16:32 @angie\_hunter\_ that it was a tad sad to use somebody else's phone just to make yourself feel important, esp. when no one knows it's you.

11/1/2013 16:39 @ianthebrush I did. That's what I tried to explain. Apparently, I've gotten more reactions than he did in 2 years! They think it's great.

11/1/2013 16:40 @ianthebrush as long as I don't try to sell the phone, make Spencer declare his love for boys or sheep, or piss of the govt of Costa Rica.

11/1/2013 16:42 I tried to explain all of this to Una but she said: it's not like it's actually your followers. They don't want to hear about you, poetry...

11/1/2013 16:43 That hurts. '@brodywills: @spencerpratt another night with the hot water bottle then :('

11/1/2013 16:48 @lisslovido tweet the name of my twitter account? Now we both know that's something I just can't do.

11/1/2013 16:50 @spencerpratt gets so much hate. Between that and her rejection, I think it's taking a toll.

11/1/2013 16:51 @MRettok yes, see my tweet to ian.

11/1/2013 16:58 @EmmaRhi \*you're. I think. You haven't used any punctuation.

11/1/2013 18:17 @missXthor I prefer Vanessa Place, Christian Bok, Katie Degentesh, Jen Bervin & John Cooper Clarke!! They are amazing!

11/1/2013 18:33 @missXthor Every Beat!! I have a weakness for Mottram, if you include him.

11/1/2013 22:15 1 good thing came of the stop in the bookshop: picked up a copy of How to Be Famous. Looks brilliant.

11/1/2013 22:18 Brought it to the coffee shop. Got a cup of this new blend there called Mechanical Turkish. Deceptively strong. Lovely.

11/1/2013 22:22 Bitterly cold out. but had to get away from the flatmates. Hope my hottie is ready!

11/1/2013 23:54 @Westy\_Low I hope that hope is picked #twouplets

11/1/2013 23:55 The #twouplets form may be too hard: the basic idea is that you write an answer to some1 else's tweet that rhymes w & complements theirs

11/1/2013 23:58 This morning I was trying to match the other person word-for-word, but try roughly the same no. of syllables & a rhyme at the end #twouplets

12/1/2013 0:01 @birdisthewyrd nice rhyme. I keep thinking syllable count should be roughly the same, but it's challenging. #twouplets

12/1/2013 0:03 @ChloeSmith0603 You gave out a holler so what's it to ya? #twouplets

12/1/2013 0:06 As with the #shibboleth game, I'll RT the best ones I hear. #twouplets

12/1/2013 0:06 But I don't want to be the only twouplet maker. If you see some1 tweet @spencerpratt you can answer them with a #twouplet

12/1/2013 0:16 Friday night, my hottie, and all the lovely haters of @spencerpratt. Life has a sense of humour #twouplets

12/1/2013 0:21 @ChloeSmith0603 tweeting to me, call me a bitch, just not feelin' #twouplets

12/1/2013 0:22 @ChloeSmith0603 feelin'/zealand, yes, a bit of a stretch, but it's late here. You try.

12/1/2013 0:28 @ChloeSmith0603 I was focused more on the rhyming the tweet than the tweetinator #twouplets

12/1/2013 0:33 '@ChloeSmith0603: @spencerpratt There's no need to hater ;) be a player, congratulator...terminator :-) Smell you later Lol' #twouplets

12/1/2013 0:39 @ChloeSmith0603 ok. My favourite colour is orange. #twouplets

12/1/2013 0:53 @ChloeSmith0603 Couldn't resist to make you cringe, did not mean to impinge. #twouplets

12/1/2013 0:55 Ok, far too late. I'll see you in my dreams. Look forward to seeing the #twouplets in the morning. Rhyme with those who @ the Pratt. Xxoo

12/1/2013 7:49 @missXthor good morning, luv. Ace. But the original idea was that you make a twouplet by rhyming with someone's tweet at me. Well done, tho.

12/1/2013 7:51 Let's continue with the #twouplets. Rules of the game, write a tweet that rhymes with a tweet some1 else tweets @ me by replying to them.

12/1/2013 7:53 It only has to rhyme with the last word. Extra points for matching their syllable count and complementing their content. #twouplets

12/1/2013 7:55 We could also build on #shibboleth by having each person in the #twouplet say something about themselves. #twouplets.

12/1/2013 8:00 But if you're responding 2 some1 tweeting @ me, they're prolly: asking for a follow, calling me a bell end, cheering team speidi, or hating

12/1/2013 8:03 I tend to obsess over syllable count & matching the rhythm bc I'm thinking about heroic couplets #twouplets

12/1/2013 8:06 But let's make it easy. Tweet something at me, a simple line, e.g., I like overcooked rice. #twouplets any1 can reply & try to rhyme it.

12/1/2013 8:11 Just like Speidi, everything is better in pairs! #twouplets.

12/1/2013 8:22 O & the name of this game is a portmanteau of twitter & couplet, tho you prolly figured that. #twouplets I'll RT the best ones

12/1/2013 8:25 @gibbsgirl3031 pls fix the apostrophe & tweet that again, I want to give it a go.

12/1/2013 8:27 @acciomontana I did that one last night. Great minds...

12/1/2013 8:31 @evelyn\_\_manf lol but remember, you're rhyming with some1 else. #twouplets

12/1/2013 8:33 @evelyn\_\_manf practice a bit and merely aim to match #twouplets

12/1/2013 8:35 @gibbsgirl3031 you said birthdays, you meant birthday's (birthday is), right? Or are you playing me?

12/1/2013 8:39 @damienjr88 a Girl needs 2 please you like a fish needs a bike #twouplets

12/1/2013 8:43 @Erination85 Kenneth Clarke hates plants #twouplets

12/1/2013 8:47 RT @Sabrinz\_Malik: @spencerpratt @gibbsgirl3031 and one way that's the biggest newsday #twouplets

12/1/2013 8:48 '@ChloeSmith0603: @spencerpratt A girl doing girls is offensively, called a dyke #twouplets' Well done, dear!

12/1/2013 8:50 @gibbsgirl3031 the bovine kind are fond of grazing #twouplets

12/1/2013 8:54 '@JajaMarais: '@TerriblyBlonde : shut up you are boring' I'd rather lister to my grandma snoring @spencerpratt #twouplets' ace twoupled hate

12/1/2013 9:00 @GerryConfiant @gibbsgirl3031 I should reply instead of RT so people can see the chain. Brilliant.

12/1/2013 9:00 '@GerryConfiant: @spencerpratt @gibbsgirl3031 and his followers have become his plaything #twouplets' :-)

12/1/2013 9:04 @Sabrinz\_Malik You all could twouplet away the haters. Nice work.

12/1/2013 9:06 @SarahAnneJoulie: @spencerpratt well this is just awful , I was just called a twat waffle #twouplets/ lol but we're rhyming w others' tweets

12/1/2013 9:09 @wehheartit to make others reconsidaaaahhh #twouplets

12/1/2013 9:12 @ChloeSmith0603 did you really just start following me? You're good. (Don't forget the hashtag)

12/1/2013 9:14 '@ChloeSmith0603: @spencerpratt The shit from the mediaaaaaaaa!' #twouplets

12/1/2013 9:15 @GerryConfiant @wehheartit Excellent!

12/1/2013 9:18 '@GerryConfiant: @spencerpratt @wehheartit while they lay in bed or sit on the sh!taaahhhh' #twouplets

12/1/2013 9:21 Got to dash. You've got the hang of it now. I'll check back in later, Gawain-style. Cheers! #twouplets

12/1/2013 9:22 @GerryConfiant @ChloeSmith0603 You two win the prize for the morning, btw. Brilliant!

12/1/2013 9:24 RT @GerryConfiant: @ChloeSmith0603 @spencerpratt so to hell with the signing, just work on ur timing #twouplets

12/1/2013 9:24 RT @ChloeSmith0603: @spencerpratt I'm good at rhyming, but shit at miming! :-) #twouplets

12/1/2013 9:26 RT @LauraSmyth1: @spencerpratt: '@ChloeSmith0603: The shit from the mediaaaaaaaa!' Will end up on Wikipedia #twouplets

12/1/2013 18:22 Winter is so long/ Winter moves on... Song is stuck in my head. Why?

12/1/2013 18:29 Seems apropos, I suppose...

12/1/2013 18:30 Well, a nation turns its back and gags...

12/1/2013 18:34 Any more #twouplets, luvs?

12/1/2013 18:41 @DenningC nice, don't forget the hashtag #twouplets

12/1/2013 18:42 @DenningC depending on how voting goes, may have to pack the bags. #twouplets (I'm packed...)

12/1/2013 18:45 @ianthebrush but is there such a thing? We'll never know the answer. #twouplets (slant rhyme)

12/1/2013 18:48 @rachaelamy feeling Maudlin with me? :)

12/1/2013 18:50 Those who play the game with a holler are getting rewarded with a...

12/1/2013 18:52 @Lottie\_McAdam whether the weather is hot, whether the weather is cold... #twouplets

12/1/2013 18:53 '@EmilyMoore95: @spencerpratt follow' exactly. Now, back to the #twouplets

12/1/2013 18:56 I wonder if we could write some #twouplets for Una. She might be tickled. Tag them #una too if they're for her.

12/1/2013 18:58 @littlenicky666 okay, but no more just for that rhyme. The rest go to game players: Poets for Pratt!

12/1/2013 19:01 @AmeliaQJ you'll find you develop amnesia if you don't get some sleep too #twouplets

12/1/2013 19:03 Got to dash. Back later. Keep up the #twouplets. Rhyme with any1 who @s spencerpratt. Use the #una tag if they're for her.

13/01/2013 9:01 Wow. What has Spencer Pratt been up to?

13/01/2013 9:02 I can always tell from reading the tweets the next day, when the hate rolls out like an endless scroll.

13/01/2013 9:04 '@ChloeSmith0603: @spencerpratt #twouplets' Well, I hope you all have been. Reading back through now.

13/01/2013 9:06 RT @StephanyCollin1: #una is a mystery, a figment with a mind. We will never know of her, this is so unkind #twouplets

13/01/2013 9:07 @StephanyCollin1 Nice work on this one. #twouplets

13/01/2013 9:08 @ChloeSmith0603 This one cut me to the core. #twouplets

13/01/2013 9:10 ' @blissnilsen: @spencerpratt what is twouplets??' Did you miss our game? Just rhyme with a tweet some1 send to me, you know @spencerpratt

13/01/2013 9:12 O & don't forget the hashtag. Search for #twouplets & you'll see some of what people did yesterday. Special ones for #una are tagged too.

13/01/2013 9:14 @ChloeSmith0603 This is clearly due to the Tweeps luv of poetry games & poets. I luv you all for it!

13/01/2013 9:21 @gisselleeee\_ @julielindabass payment for poems'd be bliss #twouplets

13/01/2013 9:24 What I love about this game is that you all get a chance to see the gobsmacking mess of tweets that gets sent this way. #twouplets

13/01/2013 9:27 @HannahMel21 Which one of your tweets was for #twouplets? Who were you rhyming with?

13/01/2013 9:29 @ChloeSmith0603 Ace. But I worry people will think a twouplet is just them rhyming themselves. Not the end of the world, of course.

13/01/2013 9:30 @selenagfans12 Almost there. Now rhyme with some1 else's tweet. #twouplets

13/01/2013 9:36 Tweeting from here has been the biggest event that ever happened to me but also the means through which I have been most erased.

13/01/2013 9:37 I am a middle child, a poet, an invisible man, never noticed except when stumbled over in the dark.

13/01/2013 9:39 I thought through you, through Una, through my days in the Mirror, my life would change, but I am merely the 1 who is & isn't @spencerpratt

13/01/2013 9:40 @HannahMel21 keep trying, my dear. :)

13/01/2013 9:44 @gisselleeee\_ I thought you were just teasing me or making a pun.

13/01/2013 9:47 RT @SarahAnneJoulie: @gisselleeee\_ @spencerpratt to play the game right you must reply in rhyme to other tweets tonight #Twouplets

13/01/2013 9:51 Added challenges: try to match the rhythm & syllable count of the tweet you rhyme. Remember, any tweets at Pratt are fair game #twouplets

13/01/2013 9:52 Also, if you tag your #twouplets #Una, I'll work them into a poem I'm planning to present to her someday.

13/01/2013 9:58 @SarahAnneJoulie @ChloeSmith0603 Nice layers here. The irony is sweet & tangy.

13/01/2013 10:03 @AshleighHBowers Of course, this is my conundrum. Would luv to show myself to you but doing so would be my end.

13/01/2013 10:05 @AshleighHBowers That's got me thinking of a new game. I'll work on it a bit. Maybe after today's round of #twouplets

13/01/2013 10:08 @RavneenSinghx so far Spencer Pratt has been the topic. But would luv for it to be abt my luv Una or even abt yourselves as in #shibboleth

13/01/2013 10:13 @ChloeSmith0603 the pull of the hateful and awful cavorting I read, makes it hard to tweetback each rhyme you have said #twouplets

13/01/2013 10:21 @SarahAnneJoulie @ChloeSmith0603 but those looking for Speidi, may feel themselves misled #twouplets

13/01/2013 10:34 @misseharding Una is my love from the bookshop, wrapped in tattoos and piercings. She knits and swears like a sailor.

13/01/2013 10:39 @RavneenSinghx The goal is rhyme with someone else's tweet, though we have been rhyming internally as well. #twouplets

13/01/2013 10:52 Una writes Twilight fan fiction, by the way. Calls it Mary Sue squared.

13/01/2013 15:58 @therealtb Luv it!

13/01/2013 16:00 I came back to look at the #twouplets and found waves upon waves of Twitter hate!

13/01/2013 16:02 I should watch this Big Bro show to see what those two do every day, but I don't own a telly.

13/01/2013 16:07 And it's fascinating to find out what your alter ego has done by reading Twitter. Must be how Dr. Jekyll felt.

13/01/2013 16:15 Can someone, for example, explain to me who this Rylan is? Or is that a typo?

13/01/2013 19:28 I keep trying to think of ways to make myself visible to you while keeping on my cloak of invisibility. This is the story of my life.

13/01/2013 19:29 I have a new game for tomorrow that might help with this. This one uses pictures, sort of.

13/01/2013 19:30 Wish I could answer. :( '@zoya\_kx: @spencerpratt who are u?'

13/01/2013 19:47 @Studio468 I am now an allowed fool. They said I can keep tweeting as long as I don't do anything illegal or try to profit off it.

13/01/2013 19:48 Apparently I do more with his account than he ever did. And now I have haters of my own, which seems Speidi's specialty.

14/01/2013 7:25 So, looks like he got us on the chopping block again, as he and I are inexorably linked.

14/01/2013 7:26 If he goes, I go.

14/01/2013 7:32 My impending demise made me think of a new game to play with you. I wanted to reveal myself before I'm locked out. It reminds me of a movie.

14/01/2013 7:35 What is this movie? Trading Places? Prelude to a Kiss? S1mone? A movie where some1 wakes up in some1 else's body? Being John Malkovich?

14/01/2013 7:39 What if I described a picture of myself? And what if you did the same? But you can't link to the picture, only use words.

14/01/2013 7:43 We could call it a revealing game, the game of ekphrasis. Yeah, that would make a good hashtag. #ekphrastic

14/01/2013 7:44 Here, let me write a few examples based on pictures of me: #ekphrastic

14/01/2013 7:46 Here's us in primary school. I'm the 4th anonymous forgotten kid from the left in the penultimate row. See me? #ekphrastic

14/01/2013 7:50 Here's every1 having fun at a party at my friend's. See me? No, you don't. As always I was taking piccies, not joining the fun #ekphrastic

14/01/2013 7:58 Here's me on holiday with my family. I'm the lobster in the back who can't sit down. Burned to a crisp. See me? #ekphrastic

14/01/2013 8:13 As always, I'll RT and maybe even follow the best. #ekphrastic

14/01/2013 8:14 @hannahmitchelll don't forget the hashtag #ekphrastic and do try to reveal yourself, not just your status as a fan.

14/01/2013 8:17 '@Markus\_Hill: @spencerpratt HERE I AM drinking red wine, wearing my mother's clothing in bed when I was 7.' #ekphrastic

14/01/2013 8:22 @mangerine\_ Ekphrasis is recreating 1 art form in another, like describing a picture. You are representing the picture in words. Follow?

14/01/2013 8:25 @therealtb do you mean 'sitting' or 'seat' or? Not sure.

14/01/2013 8:28 @SarahAnneJoulie @ChloeSmith0603 I had a feeling I could count on you two. New games take time to warm up.

14/01/2013 8:29 @LYONSjeni Don't forget the hashtag. Also, 'sat'? Did someone sit you there? #ekphrastic

14/01/2013 8:31 @SarahAnneJoulie @ChloeSmith0603 different games for different days. Maybe you could make this interactive. Ask questions, build on piccies?

14/01/2013 8:33 @SarahAnneJoulie @ChloeSmith0603 you can always keep playing #twouples. I might go to the bookshop tonight and #Una should be there.

14/01/2013 8:34 RT @therealtb: @spencerpratt here's me on my family gathering. I'm the stone sitting on the corner, and being forgotten. See me? #ekphrastic

14/01/2013 8:36 @LYONSjeni did you answer my question?

14/01/2013 8:38 @ChloeSmith0603 Me? I'm just 1 person. We're all playing here. You want to build on the game? Do it. You know how to take the talking stick.

14/01/2013 8:40 @SarahAnneJoulie @ChloeSmith0603 hey, are two trying to needle me with the grammar?

14/01/2013 8:42 @LYONSjeni I couldn't understand the verb tense you used in the Mario Kart tweet. Can you try that one again?

14/01/2013 8:44 @\_Bissette play the game and your wish is granted. Happy Birthday, btw. Perhaps you could describe a piccy from a bday in the past.

14/01/2013 8:47 For #ekphrastic you are not describing what you are doing now; you're describing a revealing picture, 1 that shows who you really are.

14/01/2013 8:49 @SarahShatan see my note about the pictures, and maybe you should watch what you let him eat for dinner. :)

14/01/2013 8:52 RT @lezleehay: @spencerpratt Here I am, spinning in circles as the rain darkens the color of my already brunette hair. #ekphrastic

14/01/2013 8:53 @SarahAnneJoulie I don't like to flood people's TL. But I do need to dash in a bit.

14/01/2013 8:56 @\_Bissette nice, but I don't want anyone to attach actual pictures. The goal of #ekphrastic is to do it better with words.

14/01/2013 8:58 @CharmyBlueEyes Describe a telling piccy from your past, not tonight. #ekphrastic

14/01/2013 9:01 @\_Bissette As a poet, I cannot agree. I believe you can describe it better. The camera did not feel the moment as you did #ekphrastic

15/01/2013 0:20 @x3xnikkix3x I am just a poor poet who lives inside of @spencerpratt

15/01/2013 0:21 What happened to out #ekphrastic game?

15/01/2013 0:27 @shelbs642 Did you read the directions? Just search the hashtag for examples. I doubt anyone else is using it.

15/01/2013 0:44 Don't get chuffed. In REAL life I'm allowed to do this. However, usually the people tweeting are hired and paid.

15/01/2013 0:52 Do you really expect to hear the inner thoughts of tv personalities? The REAL Spencer? I've already voted that notion out of the house.

15/01/2013 0:57 Sorry to get so bothered. Did you like my cbb allusion? I tried to watch a few minutes of that program online today. Unbelievable.

15/01/2013 1:00 Sorry, too. It's late here & I so want to tell you what happened at the bookshop tonight. But it will have to wait. Stay #ekphrastic!

15/01/2013 5:48 Couldn't sleep. Had to watch a bit more CBB online. Saw a very large former footballer getting waxed. The horror. The horror.

15/01/2013 6:12 Went to the bookshop to hear a reading. Una wasn't there. Gutted.

15/01/2013 6:14 @suups3xual Una? The girl from the bookshop. We've been writing poetry for her.

15/01/2013 6:18 The author never showed either....but then I saw this perfectly lovely lass. Thick glasses. Khaki green army jacket. Knee high socks.

15/01/2013 6:22 Shame, having a reading like this & no author, I said. Yeah, total waste, says she.

15/01/2013 6:26 Thought about showing her the phone bc I didn't have much to say but instead asked what she did. I'm a writer, she said.

15/01/2013 6:28 Imagine?! I told her I'm a poet & she asked what kind of poetry I liked. We swapped names, favs. Had quite a few in common!

15/01/2013 6:32 I asked her what she'd do now. She said, dunno, maybe go for a pint. I joined her for 1 or 2. 3.

15/01/2013 6:36 After a few, she tells me the reason she was at the reading. Turns out, she helped write the book. Uncredited!

15/01/2013 6:37 Said night at the pub, but she gave me her number! Thought it'd be ace to call her from the Speidi phone, but they cut service except wifi.

15/01/2013 6:38 This might be my Duessa. Una look out!

15/01/2013 6:42 @gibbsgirl3031 Happy birthday! Party like Speidi!

15/01/2013 6:44 @MissyMissyMia I didn't mention them. Should I? Una was so unimpressed. Anti-impressed.

15/01/2013 6:46 @kbfamilyof That's the heart of my dilemma. I can't give my name, might as well not have a name. I am Spencer Pratt's inner poet.

15/01/2013 6:53 @MissyMissyMia Una found it...pathetic. Many @spencerpratt followers agree. #myownprivatehaters

15/01/2013 6:58 @AneeqaaBabes Remember the #ekphrastic game asks you to describe a revealing piccy of yourself, not what you are doing now.

15/01/2013 7:01 @Embird83 I really just found it.

15/01/2013 7:03 @WadieBen I wonder. Spencer is still an enigma wrapped in a thick sheet of realitytv to me & I am even reading his book.

15/01/2013 7:04 '@AneeqaaBabes: @spencerpratt and and and what does #ekphrastic mean?' I don't want to be rude, but you should look it up.

15/01/2013 7:12 '@ChloeSmith0603: @spencerpratt Did you respect her as a women on top of a huge pile of poetry books? :)' I am a gentleman & we just met!

15/01/2013 7:13 @nicolaosborne36 @Embird83 I will. I am told there will be no consequences. No charges. No arsekicking.

15/01/2013 7:20 @ChloeSmith0603 Now I might be tempted to do something naughty with a sestina, tickle her with a pantoum. ;-)

15/01/2013 7:21 @MissyMissyMia @nicolaosborne36 @Embird83 I like that name. Temporary Spencer. Temp Spence. Ace!!

15/01/2013 7:22 @Danarazzi I can't say I've seen enough to understand this show, but they do seem to have staying power. I hope.

15/01/2013 7:24 @nicolaosborne36 @Embird83 I think they're starting to flutter off. I'm realizing I'm a different sort of fellow than this Pratt.

15/01/2013 7:26 @ChloeSmith0603 some1 new. I'll refer to her as Duessa to keep our theme. Look back in the feed from earlier this morning.

15/01/2013 7:27 RT @MissyMissyMia: @spencerpratt @nicolaosborne36 @Embird83 yes! #tempspence

15/01/2013 7:29 @SarahAnneJoulie Still playing #ekphrastic. I want to challenge you all to find more revealing moments in the piccies. Emotionally revealing

15/01/2013 7:34 '@SarahAnneJoulie: @spencerpratt I dont have any photos that really mean anything :-( ' Look closer & in ekphrasis a picture's worth is words

15/01/2013 7:43 Call me #tempence. I think I would prefer that to douchebag.

15/01/2013 7:46 @ChloeSmith0603 How can anything be personal to me? I'm invisible! Anonymous! Obviously a woman with a way with words will always win me.

15/01/2013 7:48 Waves of hate and love with each tweet, that is what you see when you live as @spencerpratt #tempence

15/01/2013 7:50 @missXthor Love it! Don't forget the hashtag. #ekphrastic

15/01/2013 7:51 @TheMikeAnthon You win the prize for making me laugh this morning.

15/01/2013 7:54 @ChloeSmith0603 She's a published author for one & had a way of turning everything I said on its head or arse. A witty one she. #duessa

15/01/2013 7:58 @Woodsy\_gal that is too touching for twitter. I feel like a prat reminding you to use the hashtag. #ekphrastic

15/01/2013 8:02 Ok, got to dash. As always, keep up the #ekphrastic game. I'll retweet my favs tonight or when I get a chance. Luv to you all! Haters, too!

15/01/2013 8:03 RT @Woodsy\_gal: @spencerpratt here I am months after starting feel sick, no diagnosis. Losing friends & family yet still love life ...

16/01/2013 7:13 Good morning, luv. Today might spell the end of #tempence, depending on the vote. I can't get a feel for the show. Predictions?

16/01/2013 7:16 @GraemeDavidReid How about a personal Happy Birthday greeting? Hope it's worth tweeting about!

16/01/2013 7:19 @Sarah\_Rapa I love you, too, Sara Rapa! Luv to all the #tempence and Speidi fans in Oz!

16/01/2013 7:21 '@kpee: @spencerpratt Lacey will go!!' Really? Why do you think so? Why don't people like her?

16/01/2013 7:26 '@BethanUsher: @spencerpratt because she's boring' Is she? What's her story? She's a model or something, right?

16/01/2013 7:30 '@GiaDuprey: @spencerpratt I'm hoping Clare goes. There is no one more boring than her!' Why is she famous?

16/01/2013 7:42 @FapBieberHoran oh, right! I have a soft spot for 'Last Thing on My Mind,' but I think I prefer the Bananarama version.

16/01/2013 7:52 There was something in your voice, it was telling me don't be too sure, arousing my suspicions... rather like our #shibboleth game

16/01/2013 8:03 @SarahAnneJoulie ok. I'm glad you asked. In the new game let's return to writing poetry, this time a massive collab poem.

16/01/2013 8:11 The only problem is, I'm not sure if we should write it for Una or Duessa. Perhaps I should imitate cbb & let you decide!

16/01/2013 8:21 The #centode game: every1 will write a line describing your bf or gf (real or imaginary) but substitute Una or Duessa for their name.

16/01/2013 8:23 #Centode is a combination of Cento and Ode, two poetic forms you've probably heard of. Centode evokes Toadfish, which I heard on cbb

16/01/2013 8:29 Here's an example: Una laughs uncontrollably at parts of Trainspotting. #centode

16/01/2013 8:33 You advanced poets can rhyme with someone else's line by replying to it, but rhyme is not a requirement. #centode

16/01/2013 8:49 @AlexisWTweets Thanks for getting this started! #centode

16/01/2013 8:55 @SarahAnneJoulie I'd like to assemble the poem directly from the tweets. But at somepoint I might have to choose between the two.

16/01/2013 8:58 RT @RyanPeddigrew: @spencerpratt When Una says 5 minutes really means 50. #centode

16/01/2013 9:02 @SarahAnneJoulie Or tweet it twice. Remember, our #centode will make a poem out of all the people we love.

16/01/2013 9:09 @FapBieberHoran I try not to read the DMs: those feel like purloined letters.

16/01/2013 9:17 RT @SarahAnneJoulie: @spencerpratt Gentle touch, tough skin. A youthful spirit with an old mind. lone star in a dark sky. Beauty unseen ...

16/01/2013 9:18 @FapBieberHoran That's a lot of questions. I believe the answer is 'yes' to most of them.

16/01/2013 9:29 RT @SarahAnneJoulie: @AlexisWTweets @spencerpratt with every word she speaks my sanity seems to falter . #centode

16/01/2013 9:33 RT @AlexisWTweets: @SarahAnneJoulie @spencerpratt Una sits atop a pedestal, my eyes, they do not wander. #centode

16/01/2013 9:34 @SarahAnneJoulie @ChloeSmith0603 We are missing a few members of our usual circle of twitter poets. Hopefully some new ones will join.

16/01/2013 9:40 @ChloeSmith0603 @SarahAnneJoulie We should set up a web site celebrating the #tempspence poets, especially since my days are numbered.

16/01/2013 9:43 @ChloeSmith0603 @SarahAnneJoulie Add @AlexisWTweets to #tempspence poets. She's Ace.

16/01/2013 9:44 RT @SarahAnneJoulie: @AlexisWTweets @spencerpratt with every breath, every thought. I proclaim my devotion.Yet her ears do not hear, her ...

16/01/2013 9:48 @Sweet\_vero Ok, another example: By the time your hands have clutched your chilly sleeves, Una has already turned on the kettle. #centode

16/01/2013 9:50 @Sweet\_vero They don't have to sound like poetry. Beauty emerges when you string all these together. #centode & then, voila, u are a poet.

16/01/2013 9:58 Got to dash. Keep working on the #centode. I'll see your fruits this afternoon, Gawain-style, tho it may be my last #tempspence

16/01/2013 15:25 RT @xD4ni3ll38x: @spencerpratt When Duessa says I promise, that actually means I will do the opposite and have up make it up at a later ...

16/01/2013 15:45 Is Lacey being cast as Spencer's Duessa? Would his Una like to see her voted out? #redcrossspeidi

16/01/2013 15:50 @maferbarrerab So Ace! Well done.

16/01/2013 15:53 RT @maferbarrerab: @spencerpratt Duessa laughs so hard that ha-ha turns into oink-oink, & it's so contagious that you can't help it ...

17/01/2013 7:06 Good morning, luv. Nice to wake up knowing I at least have two more days as #tempspence

17/01/2013 7:14 How Speidi avoid eviction is beyond me, but I'm not going to challenge the will of the people.

17/01/2013 7:17 '@ChloeSmith0603: @spencerpratt Cool! You know what that means, right? :-)' What?

17/01/2013 7:20 1 of my flatmates snores like Razor. In fact, he's kind of a short, Skinny Razor. He's Pakistani, really, from Faisalabad.

17/01/2013 7:24 '@nadiiakarii: @spencerpratt i'm just pretty happy you know about Faisalabad.' He talks about it incessantly. Quite homesick, really.

17/01/2013 7:26 I called Duessa last night. Thought I'd tell her about the phone during the live eviction. Turns out, wrong number. Ha!

17/01/2013 7:40 @SarahAnneJoulie It was not HER number. It was the number for 19 Turing or Touring, couldn't hear

17/01/2013 7:44 '@SarahAnneJoulie: Dearest @spencerpratt , Are we continuing our game of #centode ?' Yes! I'm hoping to go to the bookshop tonight.

17/01/2013 7:48 If you missed it, we're writing a Cento Ode by tweeting something abt your bf or gf, replace his/her name with Una or Duessa #centode

17/01/2013 7:50 Una is a lass at the bookshop, unimpressed with my phone luck. Duessa is a ghostwriter who gave me a fake number. :(

17/01/2013 7:52 '@SarahAnneJoulie: @spencerpratt why to Duessa? She did give you a false number.' Why would she trust me? She doesn't even know me. Me-me.

17/01/2013 7:55 Let's take a poll: RT this if you've ever given out a fake/false phone number to some1 you just met. #duessa

17/01/2013 7:56 RT this is you've never given a fake/false phone number to some1 you just met. #Una

17/01/2013 8:06 Looks like #duessa is winning. I'm not arguing that people should be false. I try to be honest, but you just don't know whom you can trust.

17/01/2013 8:07 '@Jana\_Notah: @spencerpratt I gave out an ex's # ðŸ™ƒBrilliant! #duessa

17/01/2013 8:10 @SarahAnneJoulie @thebeanboy23 the line you write for Una or Duessa should be some cute, intimate or quirky fact abt your bf or gf #centode

17/01/2013 8:14 I'll RT some examples of the #centode game. I think I'll go to the bookshop tonight to share the poem with Una at least.

17/01/2013 8:21 Don't make your #centode lines rhyme. But you can rhyme your line with someone else's by replying. (Starred First poets)

17/01/2013 8:22 '@Lyds\_G: @spencerpratt I gave out my twin sisters number!' That makes you a doubledecker Duessa. :)

17/01/2013 8:24 @SarahAnneJoulie @ChloeSmith0603 Don't get mad at me, please. I am fairly permissive when we first start a game. I like to see what you do.

17/01/2013 8:26 @RebeccaMasters I am the latter, referred to as #tempspence. @spencerpratt's inner poet. :)

17/01/2013 8:35 @juliaustin Duessa? She's Ace. Met her at a reading of an author who never showed. Turns out, she ghostwrote the book.

17/01/2013 8:41 @lorraineq Er, currently I'm between engagements. I am a poet, you realize? Job market's a bit thin these days.

17/01/2013 8:44 Yes, let's get back to #centode! I hope to have a full poem's worth of tweets by the time I go to the bookshop to see Una tonight.

17/01/2013 8:52 Una arranges the spines of the paperbacks at the edge of the shelf so she can run her finger along them like a xylophone #centode

17/01/2013 8:58 Of all the pages Duessa pens, she never sees her name upon a spine. #centode

17/01/2013 9:04 When I ask Una for a book of love, she always hands me mysteries #centode

17/01/2013 9:08 @SarahAnneJoulie @AlexisWTweets Let go & let the game take over: the premise & process will write something beautiful. Try to be particular.

17/01/2013 15:10 Una writes fanfiction strange & true, each of her heroines is a Mary Sue #centode #twouplets

17/01/2013 15:35 @maggiespencer But I \*have\* been revealing myself, with every Tweet.

17/01/2013 15:47 @maggiespencer Though I wish for you to know me more if known I am I will be no more. #tempspence

17/01/2013 15:51 Still need a few more lines for the #centode for Una before I go see her at the bookshop tonight. I'll RT my favs (& I like to follow poets)

17/01/2013 16:46 I should be more clear: my follows & RTs will go to poets who play my games: #centode #twouplets #ekphrastic #shibboleth Play on, poets!

18/01/2013 7:22 Good morning, luvs. Great to see all the haters & lovers of #teamspeidi & #tempspence getting along so well.

18/01/2013 7:23 Went to the bookshop last night to find Una. She was in a back corner on her break working on her fan fiction.

18/01/2013 7:27 I showed her the #centode we wrote or a version of it. She coloured a bit, cheeks red beside ears cycloned with piercings.

18/01/2013 7:30 @SarahAnneJoulie she said they were perfectly lovely lines but thinks I am taking advantage of @spencerpratt's followers. :(

18/01/2013 7:34 I asked about her fan fiction. She writes Harry Potter stories from the point of view of Luna. Luna is a Mary Sue for her, she says.

18/01/2013 7:46 She explained that a Mary Sue is a character that stands in for you. That lets you imagine you are someone living in the storyworld.

18/01/2013 7:48 I told her it sounded kind of like me being #tempspence & she snapped her journal closed & said it wasn't the same at all. #imfallingforher

18/01/2013 8:01 @XxGLAMMAX but I was doing just what she's doing: pretending to be a character.

18/01/2013 8:02 Isn't that what Spencer Pratt is? A character. People love to hate him, to boo him, to throw trash at the bad boy.

18/01/2013 8:05 People have been writing lines for Spencer Pratt his whole career, no doubt. So who cares if I'm writing lines as @spencerpratt?

18/01/2013 8:08 Apologies. Swallowing all the hate @spencerpratt & now #tempspence get on a daily basis is clearly getting the better of me.

18/01/2013 8:13 @XxGLAMMAX but isn't that what Una does? Pretends she's Luna Lovegood, walking around Hogwarts in a beautiful fog. (She let me read some)

18/01/2013 8:25 @gmensss that's the irony. I am unfamous, incapable of becoming famous. If I were discovered, the real me, that would be my end.

18/01/2013 8:27 O & on the way out of the bookshop, I snagged a copy of the book Duessa ghostwrote. Thought I might call the publisher, get her name.

18/01/2013 8:45 @DaynahRose Who's being taken advantage of?

18/01/2013 8:46 @Chels91 Una is the fair inked lass at the bookshop, maybe my one true love, at the moment unimpressed with my courting.

18/01/2013 8:48 '@SarahAnneJoulie: @spencerpratt and what is this book called?' I could not Tweet that any more than Tweet who I am.

18/01/2013 8:53 Speaking of who we really are: I have a new game to launch for you.

18/01/2013 8:56 Gane: draw a doodle that you typically draw, take a picture, & share. Use bright lighting! We can use the #shibboleth tag again.

18/01/2013 8:57 '@thebeanboy23: @spencerpratt Is this game going to be easier than the others?' Yes, for some.

18/01/2013 8:58 '@thebeanboy23: @spencerpratt How do you feel about tonight's eviction? Do you think #speidi will stay?' I hope. My fate lies with theirs.

18/01/2013 9:10 @ChloeSmith0603 @SarahAnneJoulie I don't know a lot about tech. Cld 1 of you set up 1 of those sites where all #tempspence poets cld post?

18/01/2013 9:12 I will RT (& maybe follow) those who share their doodles. N.b., they don't have to be fine art, just your signature style #shibboleth

18/01/2013 9:14 Duessa was telling me about Tumblors (sp?) at the pub. Could we use one of those for the #tempspence poets?

18/01/2013 18:59 RT @hanscans: @spencerpratt my Uni notebook is full of doodles. Anyone who knows me knows how much I love Disney! #shibboleth <http://t.c...>

18/01/2013 19:01 RT @dawnmrobinson: @spencerpratt this is a #doodle I did on my laptop. Trying to create something w/ masculine colors&lt;3 <http://t.co/Q...>

18/01/2013 19:02 '@Eamyoncanoe: @spencerpratt long day... #cute tho! <http://t.co/6cXekiyD>' not a doodle, but Ace! #shibboleth

18/01/2013 19:07 RT @JoanneCarr1: @spencerpratt #shibboleth <http://t.co/SUqJOVfV>

18/01/2013 19:41 Here's the online home for all the games we've been playing: <http://t.co/zBEUQi7m> thanks: @AlexisWTweets will be posting their soon!

19/01/2013 8:29 Good morning, luvs! Well, #teamspeidi were spare the axe once more, so I keep my twitter head as well. The stress is horrid. #tempspence.

19/01/2013 8:31 Realized today 1 of my flatmates reminds me of Frankie, very friendly. He's a Green Party fanatic. Very political, vegan/rawtarian, etc.

19/01/2013 8:33 Green Frankie always has fresh veggies & nuts piled in bins in the kitchen. He was bothering me about the rent this morning.

19/01/2013 8:35 Cheers to @AlexisWTweets for setting up <http://t.co/zBEUQi7m> How do we post the games there? #nottechsavvy

19/01/2013 8:44 I'm from a long line of Labour with some Social Dems centrist cousins & Scottish Green on my mother's side. I'm left of them all.

19/01/2013 8:47 @consar74 I wish I could, but if I revealed who I was, well, long story. Let's just say I'm #tempspence, a poet.

19/01/2013 8:49 @AlexisWTweets Can you tell me & the rest how to get content into the tumblr for the #tempspence poets?

19/01/2013 8:52 @Adam\_Lees Our most current game is a version of #shibboleth where you share a piccy of a doodle you typically draw.

19/01/2013 8:54 a doodle isn't a work of art but something you scribble in the corner of a page of notes like a kind of absent-minded signature #shibboleth

19/01/2013 8:57 @jasinski\_skiii Sorry, slept in. It is Saturday after all!

19/01/2013 8:59 @SarahAnneJoulie @AlexisWTweets can you DM me the login info? Maybe we could all use that account?

19/01/2013 9:04 '@XxGLAMMAX: @spencerpratt these are my sort of doodles when I'm on the phone <http://t.co/WXnlL8u2>' Ace. Don't 4get the #shibboleth tag.

19/01/2013 9:13 @em4n\_Like! but we're posting doodles that would identify us. Not drawing disney but what you draw in the corner of a notebook #shibboleth

19/01/2013 9:15 RT @markiee: @spencerpratt im probably in the top 10 worlds worst drawers, but ill put these bad boys all over the place #shibboleth htt ...

19/01/2013 9:21 RT @XxGLAMMAX: @spencerpratt and here's another type #tempspence #shibboleth <http://t.co/GluGNHWq>

19/01/2013 9:22 RT @XxGLAMMAX: @spencerpratt these are my sort of doodles when I'm on the phone <http://t.co/kuZnqkVV>

19/01/2013 9:26 RT @XxGLAMMAX: @spencerpratt this is not a doodle tho its a drawing. It's how I imagine Una lol #shibboleth #tempspence <http://t.co/OLC...>

19/01/2013 9:26 @XxGLAMMAX Uncanny. Don't forget her ears! She's got them ringed in piercings. She's got a bit of ink, too, a tattoo like a doodle. #Una

19/01/2013 9:31 @SarahAnneJoulie @AlexisWTweets @ChloeSmith0603 Of course. Really any of the poets who are playing with us. Maybe a 2 game minimum? :)

19/01/2013 9:34 @consar74 look back in the hashtag or wikipedia: a way to prove it's you, the real you, something your mum or bf would recognize #shibboleth

19/01/2013 9:36 Our #shibboleth games started weeks ago when people realized I was #tempspence. Some said I used words he'd never use. It became a theme.

19/01/2013 9:38 '@Butterscotcheve: @spencerpratt question is will you be returning the phone to Spencer?' Yes, not sure how yet.

19/01/2013 9:40 As usual, my payment for your doodles & poetry is a follow from @spencerpratt, but you have to play one of the games!

19/01/2013 9:43 @SarahAnneJoulie @AlexisWTweets @ChloeSmith0603 Feel better! Sleep well!

19/01/2013 9:47 I awake each day to tweets: how can you tweet if you are in cbb? Simply, I am #tempspence, a poet with a phone. My story is out there.

19/01/2013 9:53 @consar74 It's an very old concept for ancient logins #shibboleth

19/01/2013 9:55 @XxGLAMMAX I don't want to creep her out too much. Why don't you place it where you'd like.

19/01/2013 9:58 @CharlotteEPM I can't elaborate further. Let's say I am, for the time being, an allowed fool. #tempspence

19/01/2013 10:18 @nikatron\_murs ok!

19/01/2013 10:18 @ianthebrush It's the nature of Twitter, I suppose. No one does the reading.

19/01/2013 10:27 @ianthebrush did you see the tumblr yet? <http://t.co/zBEUQi7m>

19/01/2013 10:36 @ianthebrush It's the place we are anthologizing the poetry game submissions of the various #tempspence (as I am now called) poets.

19/01/2013 10:42 @ianthebrush @AlexisWTweets set it up. You should try any of the games you missed!

19/01/2013 10:43 @ChloeSmith0603 @SarahAnneJoulie @AlexisWTweets has done a lot of brilliant work. She has the login info.

19/01/2013 10:46 @ianthebrush I've never used it before, but it will be nice to have this as an archive or perhaps venue for the future.

19/01/2013 10:48 I believe I have now posted all of the games we have played so far on <http://t.co/zBEUQi7m> We'll put favourites up soon!

19/01/2013 10:50 @whitknee\_s @SarahAnneJoulie set one up for me. I need to prepare it, but, yes, that's the current idea.

19/01/2013 10:56 @whitknee\_s I can only use the wifi. No phone service.

19/01/2013 11:00 @whitknee\_s if I revealed my identity that would be the end of me. Must enjoy what little time I have as #tempspence

19/01/2013 11:03 '@whitknee\_s: @spencerpratt what about after you return the phone?' Even anonymous fame is fleeting. I will return to being an unknown poet.

19/01/2013 11:04 Continue posting the #shibboleth doodles. I've got to dash. I'll RT (& maybe follow) my favs when I get back this afternoon or evening.

19/01/2013 15:41 RT @isitusher: @spencerpratt doodle, pardon the scribble #shibboleth <http://t.co/YWOkNU6W>

19/01/2013 15:51 Skinny Razor says I used all his condensed milk, but I only used a little.

19/01/2013 15:53 RT @Jennay\_5: I hate people who build themselves up in high school, because in the real world no one cares who you were then, they only ...

19/01/2013 16:00 @Janey\_Platty I only started watching cbb & realized similarities with some of my own flatmates, like Green Party Frankie.

19/01/2013 16:49 I need a profile piccy for my Twitter account, combination of Spencer Pratt & Edmund Spencer like a playing card. Can any1 try? #tempspence

19/01/2013 17:39 Really I'll trust your artistic inspirations. I would love to see whatever you come up with for my new @tempspence Twitter account.

19/01/2013 17:57 '@glenister85: @spencerpratt a picture of spencer looking in the mirror but your the reflection...' Ace!

20/01/2013 11:00 Hi tweeps! I imagine there will be another round of nominations tonight. I'll be awaiting the sensation of a short, sharp shock...

20/01/2013 11:05 @Danarazzi oh! No, I don't have a telly. I watch the show online several days later typically (& am a little behind). What does this mean?

20/01/2013 11:07 @Danarazzi So my fate is set. I either have three more days or five? Time to pack my bags, plan my exit.

20/01/2013 11:10 When Spencer leaves cbb, I may be able to continue here @tempspence & here <http://t.co/zBEUQi7m>, provided nothing happens to me.

20/01/2013 11:14 Called the publisher of Duessa's book, the 1 she ghostwrote. After being 5-6 transfers, an editor told me there was NO uncredited author!

20/01/2013 11:15 So either the editor is lying or Duessa was, which do you think it was? Let's vote cbb-style.

20/01/2013 11:17 RT this if you think the editor was lying to me about the book & that Duessa WAS really a ghostwriter on that autobiography.

20/01/2013 11:19 RT this if you think Duessa was lying to me about the book & she was NOT really a ghostwriter on that autobiography.

20/01/2013 11:26 @LoleneNiAra ok: I met Duessa at a reading at the bookshop. At a pub after, Duessa claimed to have cowritten the book, uncredited.

20/01/2013 11:29 '@madelaine\_xo: @spencerpratt your annoying' in my brief stay here, I have not succeeded in teaching you: you're vs. your. :(

20/01/2013 11:32 New game: as I watch cbb, I've been realizing how much my flatmates match up with the housemates. & I wonder if you do, too #mycbb

20/01/2013 11:36 My flat has Skinny Razor, Green Party Franky, Transgendered Claire, Call-Centre Rylan, etc. They map on to cbb well. #mycbb

20/01/2013 11:39 To play, make a tweet abt some1 you live with (flatmate, gf, bf, relative) replacing their name with their cbb doppelganger #mycbb

20/01/2013 11:42 E.g., Call-Centre Rylan idly thumbs through all our mail while drinking his darjeeling tea. #mycbb

20/01/2013 11:46 You can choose whether you want to give your cbb flatmate an epithet or not (like my call-centre, skinny, etc.). #mycbb

20/01/2013 11:49 As with the other games, I will RT my favs (& possibly follow you) later today & tomorrow. #mycbb

20/01/2013 11:52 Based on the RTs, most of you seem to think Duessa was telling the truth. Maybe I'll return to that pub tonight, ask around.

20/01/2013 11:54 Here's another example: Green Party Frankie uses the same knife for the butter & jam = buttery jam & jammy butter. :( #mycbb

20/01/2013 12:01 @LoleneNiAra To be fair, we'd just met. She gave me a fake number. Maybe she lied about the book. Could I fault her for pretending?

20/01/2013 12:06 All right. Enjoy playing #mycbb. Look up the hashtag if you missed the instructions. I'll RT my favs tonight or tomorrow.

20/01/2013 12:07 @katiewood1985 sorry, that refers to one of my flatmates, not one of his. #tempspence

20/01/2013 14:30 RT @XxGLAMMAX: @spencerpratt Rugged Razor scrapes the excess butter back after buttering his toast. I use it in his potatoes I don't like ...

20/01/2013 16:28 My flatmate Transgendered Claire keeps a kitten in the closet against building rules. When it escapes, it prefers my pillow. #mycbb

20/01/2013 19:04 RT @XxGLAMMAX: @spencerpratt @tempspence Fisherman Frankie is always telling jokes. He thinks he's a comedian I don't! #mycbb

20/01/2013 19:04 @StephanyCollin1 These are brilliant. Can you repost using names from this year's celebrity big brother? Sorry if it wasn't clear. #mycbb

21/01/2013 6:07 Can't sleep. My days are numbered and it's getting to me. #tempspence

21/01/2013 6:16 Went back to the pub last night. Duessa wasn't there. The 2 bartenders said they knew her but they were describing 2 different people.

21/01/2013 6:38 Some ace tweets in the #mycbb game. Let me RT some favs, but let's keep playing.

21/01/2013 6:49 RT @StephanyCollin1: Corky, clutzy Claire, babble's 24/7, making my migraine soar to another deminsion. #mycbb @spencerpratt

21/01/2013 7:01 @OdieHashil sure. Just tweet about the people you live with using the names of the people in CBB. #mycbb

21/01/2013 7:15 @ChloeSmith0603 @SarahAnneJoulie hello! You realize I can hear you? Ouch. I get hit from every side!

21/01/2013 7:20 @SarahAnneJoulie @ChloeSmith0603 The characters in cbb aren't very complex. Watch 1 episode on yt & you'll have them #mycbb

21/01/2013 7:34 @ChloeSmith0603 @SarahAnneJoulie Sorry, I was teasing. Spencer gets beaten up & cursed regularly. Of course, I want you to play!

21/01/2013 7:42 If you want to follow the poetry action after I'm gone from here, follow @tempspence!

21/01/2013 8:13 When does it become creepy trying to find a lass you met who gave you a fake number? Right away? #duessa (RT if 'yes')

21/01/2013 8:19 RT @Yas1251: @spencerpratt when you start trying to look them up on Facebook haha omg

21/01/2013 8:20 RT @callumt\_: @spencerpratt - When we get the shopping Claire just pigs out on the crisps! so theres none left for me. urgh #myCBB

21/01/2013 8:25 RT @SarahAnneJoulie: @spencerpratt I have said it from the beginning . If she was interested she would have given a real number

21/01/2013 8:28 @anjunalex I met Duessa at a reading for an author who never arrived. At a pub, she claimed she had ghostwrote the book, gave me a fake num.

21/01/2013 8:33 Got to dash soon. Let's do at least another day of #mycbb. I'll RT & perhaps follow my favs.

21/01/2013 8:47 RT @ChloeSmith0603: @spencerpratt Rylan and Razor like to perch on my bed, clean themselves and shed their fur everywhere... #mycbb

I'm using the names as pseudonyms. I don't know yet if those characterizations apply. #una #duessa

21/01/2013 9:14 @Lisa7002 yes, I was selfconsciously alluding to the FQ when I assigned these nicknames. #una #duessa

21/01/2013 9:16 @SarahAnneJoulie maybe tonight.

21/01/2013 17:53 Remember to play #mycbb, a game where you Tweet abt your flatmates using the names of CBB contestants. I'll RT & maybe follow my favs.

21/01/2013 23:26 What did Speidi do tonight on #cbb?? Epic amount of hate spewing from twitter tonight! #tempspence

22/01/2013 0:14 Read about the previous games here: <http://t.co/zBEUQi7m> where we will post our favourites.

22/01/2013 8:04 Morning, Luvs. My, how the twitter hate poured in last night!

22/01/2013 8:08 @SarahAnneJoulie something about Claire & refusing a challenge that would win her a letter from her kids, far as I can tell.

22/01/2013 8:19 Went to the bookshop last night to see Una. She wasn't there. Did find a printout of 1 of her Harry Potter fanfics, so I snatched it.

22/01/2013 8:32 @tajcat I assumed she left it for me or some1 to take. She knows I stop by most Monday nights.

22/01/2013 8:40 Ready for a new game?

22/01/2013 8:42 This game comes to us from the Oulipo, a group of experimental poets of the finest variety!

22/01/2013 8:49 Take a famous Spencer Pratt quote or line from How to Be Famous & replace any noun with the noun 7 later in the dictionary #prattplus7

22/01/2013 8:52 Yes, it's a variation of the Oulipo game n + 7. There are even sites online that will do the change for you. #prattplus7

22/01/2013 8:55 Alternatively you can speak 1 of Spencer Pratt's famous quotes into your phone speechtotoext & tweet the result if hilarious #prattplus7

22/01/2013 8:57 You will find famous Spencer quotes online. I did. I'll RT the best. Be sure to use the hashtag #prattplus7

22/01/2013 9:00 @DaynahRose I really think she wanted me to find it. It was beside an anthology of conceptual writers whom she knows I love. #una

22/01/2013 9:07 As always, I'll RT & follow my favourites. See previous games here <http://t.co/zBEUQi7m> & me here: @tempspence

22/01/2013 9:16 You can use this site if you don't have a dictionary. <http://t.co/RUiDsihA> though results are strange #prattplus7

22/01/2013 9:22 @MatthewDavies\_\_ right so, 'she's just a vagina' becomes 'she's just a valentine.' #prattplus7

22/01/2013 9:24 @lezleehay @tempspence replace each noun w the one 7 after it in a dictionary. #prattplus7

22/01/2013 9:28 If you don't have a dictionary, just use <http://t.co/a4eMp5Df> try both the large + small settings. You might prefer the n+6 more #prattplus7

22/01/2013 9:31 Instead of a Spencer Pratt quote, you can also play n+ 7 with a tweet from 1 of Spencer's haters! #prattplus7

22/01/2013 9:32 @MatthewDavies\_\_ yes, but replace all the nouns including 'shots' #prattplus7

22/01/2013 16:56 @rice27 o, dear. So I am being played, by the barman or Duessa or both.

22/01/2013 17:23 @GiaDuprey I know. It's hard to uncover the REAL story these days!

23/01/2013 7:55 Good morning. Might be my last day again. Now I know what it's like to be a pig on a farm. Never sure if you'll wake up as bangers.

23/01/2013 8:11 So I've been reading Una's fanfiction, the story I found at the bookshop: Luna & the Dueling Double. And I realized something.

23/01/2013 8:15 I think this story was meant for me, that she deffo wanted me to find it. #una

23/01/2013 8:20 In Una's fanfic, Neville Longbottom finds Harry's wand, the dual core one, & tries to use it as his own but fails #una

23/01/2013 8:28 In Una's story: Neville ends up dueling Voldemort but doesn't have Harry's powers because it's not really Neville's wand. #una

23/01/2013 8:31 In the end, una comes to his rescue riding a Thestral that kicks Voldemort in the head & gets Neville to return the wand. #una

23/01/2013 8:34 But at the end of the story, Luna takes Neville to the Yule Ball: it's got to be a message for me. Don't you agree? #una

23/01/2013 8:37 @anjunalex no, Una is a lass I fancy who works at the bookshop. Till now I thought she despised me. #una

23/01/2013 8:40 @ChloeSmith0603 but if she's writing fanfic for me, that's something, means she's thinking of me. No? #una

23/01/2013 8:46 @ChloeSmith0603 What should I do? How can I prove to her I'm done being a Pratt? #Una

23/01/2013 8:54 Being real with people is not my strong suit.

23/01/2013 8:55 RT @DaynahRose: @spencerpratt But Luna and Neville got together in the film so it's not like Una wrote it that way as a hint.Ur looking ...

23/01/2013 8:56 @DaynahRose maybe so.

23/01/2013 9:13 Anyway, I intend to go talk w her tonight, tell her how I feel; that I'll be giving up the phone this week. #una

23/01/2013 9:24 I attempted a storify of the #shibboleth doodle game. <http://t.co/wNTGSMKK>

23/01/2013 9:27 @ChloeSmith0603 This seems to be the finale. Friday, I believe #cbb.

23/01/2013 9:28 Ok. I'll plan to tell her tonight I'm giving up the phone. #una

23/01/2013 9:32 In the meantime, let's play #prattplus7 Just try an n+7 transform on either a famous Spencer quote or a hate tweet directed at me.

23/01/2013 9:38 @simpletonmail am I any less real than Spencer Pratt?

23/01/2013 9:47 From How to Be Famous: 'Celebrities are there to look hot for the common people' in the #prattplus7 game would be:

23/01/2013 9:48 Cements are there to look hot for the common perch #prattplus7

23/01/2013 9:54 RT @Chelle\_Belle\_23: @spencerpratt Centre you have another breach named Lauren Conrad! #prattplus7

23/01/2013 9:59 @JesMcManus replace each noun with the one 7 later in the dictionary or you can use <http://t.co/RUiDsihA> #prattplus7

23/01/2013 10:03 @greengoestweet I'm a bit ambivalent at this point.

23/01/2013 10:09 RT @consar74: @spencerpratt Go to bedroom you sophistry of a blackball spencer #prattplus7 - how's that #tempspence ?

23/01/2013 15:06 Please, tweet your #prattplus7 transformations. Search the hashtag for the rules. I will Rt & follow my favourites.

23/01/2013 16:43 Hanging around the flat today, Skinny Razor was telling Green Party Frankie about a place called Catfish.

23/01/2013 16:48 Apparently, it's a spoken word poetry club, moves around from place to place. It's happening tonight. Call-centre Rylan might perform.

23/01/2013 16:50 Footballer Claire & I are planning to go tonight. Maybe I'll see Duessa. I'll still go to the bookshop to look for Una after.

23/01/2013 16:53 Una's story really got me thinking about what it means to be legit, to have my own tweeps. I'll be moving to @tempspence soon.

23/01/2013 17:00 I like the idea of tweeting from my own account, let people see the real me, the Me-me, but I doubt any1 is real, is who they say they are.

23/01/2013 17:02 I mean, who is Spencer Pratt? Who is @spencerpratt? I bet other people else have been writing his words for a LONG time.

23/01/2013 17:07 New game: you can all be @spencerpratt for a day. Tell me what you want him to say. Let's crowdsource Spencer Pratt. Use the tag #imspencer

23/01/2013 17:10 I'll retweet or say clever lines you write for @spencerpratt, nothing infantile or puerile, nothing about bellends or being gay #imspencer

23/01/2013 17:12 @poprocks21772 I hear you. Trust me, I think Una is the one for me, but Duessa has cast her spell on me.

23/01/2013 17:33 @LABarbie\_xoxo not if I can help it!

23/01/2013 17:34 I love Lorna Spaine #imspencer

23/01/2013 18:22 I'm not the man people think I am, just a reality star. I'm someone different; I'm more than that.  
#imspencer

23/01/2013 18:30 With the game #imspencer, I am trying to liberate us from the charade that there is a  
@spencerpratt or a Spencer Pratt. What should I tweet?

23/01/2013 19:07 I hope your little girl gets better soon #imspencer @NPower85

23/01/2013 19:12 @ChloeSmith0603 Not yet, but I found out where Duessa is going to be tonight, a poetry slam  
where Call-Centre Rylan is reading. I'm going.

23/01/2013 19:24 @ChloeSmith0603 Skinny Razor was talking with Green Party Frankie about it. Footballer Claire and I  
are going to go check it out.

23/01/2013 19:38 Live for yourself and answer to nobody #imspencer @steve\_reed95

23/01/2013 19:40 @SarahAnneJoulie @ChloeSmith0603 I don't know. Then I'll have a choice to make. #una vs.  
#duessa

23/01/2013 19:54 This is sooo inappropriate. #imspencer @RainbowLuce

23/01/2013 20:05 @ReidTamarareid you're=you are. Maybe my last day here & I have not saved a single soul.

23/01/2013 22:13 I'm so good at been fake people think I am real, I am a real fake @spencerpratt #imspencer  
@XxGLAMMAX

23/01/2013 22:21 Claire & I are here at the Call-Centre Rylan's reading & I just saw Duessa walk in! Seemed  
like she saw me, gave a little halfsmile.

23/01/2013 22:28 Saw Duessa hand some pages to a girl who was headed on stage & this passionate lass read  
Duessa's story in rhyme as tho it were her own.

23/01/2013 22:30 Duessa apparently writes confessional slam poetry for other people to deliver & they're  
winning this crowd over. Might take the slam!

23/01/2013 22:58 @SarahAnneJoulie just did. Said she was glad I was there. That she realized she'd probably given me  
the wrong # since she'd just changed it

23/01/2013 23:07 @michaelmu sorry, the #imspencer game let's you put words in my mouth. Just Tweet a line you  
want Spencer Pratt to say with the hashtag.

23/01/2013 23:09 Since Spencer Pratt is a character (he's highly scripted) I figure you all should get a chance to write  
his tweets. #imspencer

23/01/2013 23:14 Every poet who reads 1 of Duessa's slam poems tells a different story as if it were their own: some  
funny, some sexy, sad. She's amazing!

23/01/2013 23:21 I asked Duessa how she could let other people perform poems abt her life. She said they weren't abt  
her life. They were all made up.

23/01/2013 23:25 I LOVE UNICORNS @gabyblamesnolan #imspencer

23/01/2013 23:28 One of Duessa's poems won the slam! A pack of poets are going over to her flat to celebrate. She's  
invited me along!

23/01/2013 23:43 I think I'm going to show Duessa the phone when we get to her flat. It's where I've done most of my  
writing for the past few weeks.

23/01/2013 23:51 YOLO guys! #imspencer @Bee\_Gbbn

24/01/2013 0:06 In the #imspencer game, I'm not tweeting just anything you write. I want something poetic, clever,  
cool.

24/01/2013 0:23 Look. It's really his. Whatever I type shows up in his feed. Do you want to try?

24/01/2013 0:25 Wow. Ace. How did you get this?

24/01/2013 0:28 am I duessa? Why are you calling me that?

24/01/2013 0:39 At least she thought my having the phone was brilliant. Started laughing hysterically after her tweets  
posted.

24/01/2013 0:39 Okay. A tad awkward.

24/01/2013 0:58 @meganmachine Sorry, when I showed Duessa (not her real name) the phone, she thought it was  
brilliant: Una (ditto) was disappointed.

24/01/2013 9:12 This is not my flat.

24/01/2013 9:19 A b&w photo of Duessa hald-smile, cocked newsboy cap on the night stand. Half-smile. Her  
flat?

24/01/2013 9:22 Someone's in the wc. my. head feels like I haf my brains smashed out by a lemon wrapped around a gold brick

24/01/2013 9:25 Something's not right. The smell. The bed. The books about ramblemancy. At least I still had the phone in my pocket.

24/01/2013 9:31 @SarahAnneJoulie sorry, I meant toilet. My head is murder

24/01/2013 9:32 I remember being at the poetry slam, the tube, a party after... then it gets a tad abstract.

24/01/2013 9:39 @SarahAnneJoulie based on toppled empty bottles, looks like wine, cheap whiskey. absinthe?

24/01/2013 9:43 I remember Duessa, poetry slam, the tube, a gaggle of poets... not this flat. maybe this flat. Dim sun thru window shade like a spotlight.

24/01/2013 9:50 based on all the flannel and jeans, it's a fellow's flat, and based on the sounds from the toilet, I'm about to find out whose.

24/01/2013 9:59 Ok. Not Duessa's flat afterall. Says he's her friend. Bf? I dunno. Hosted the party. Has no idea where she's off to.

24/01/2013 10:13 Turns out he was v hospitable. Offered tea/toast (y/n). Fancies himself something of a writer, not like Duessa though.

24/01/2013 10:15 Duessa's maybe bf told me he writes RPF, Real Person Fiction. Said it's like fanfiction but about real people. wonder if Una knows abt it.

24/01/2013 10:17 I didn't wait around for Duessa. Figured bad idea to ask that fellow for her phone number. Back to the tube. Heading home.

24/01/2013 10:20 Did think of a new game, tho. Describe what you saw when you opened your eyes on your worst morning after. Let's call this #prattfall

24/01/2013 10:23 '@devzy1D: @spencerpratt one direction postersðŸŽŠ~ŠđŸ~% #prattfall' Ace!

24/01/2013 10:26 @Eamyoncanoe I hope not, not if people are concrete, specific, hones, clever. I'll RT & follow the favourites. #prattfall

24/01/2013 10:31 RT @StevenMaso: @spencerpratt a group of Spaniards watching me wake up on a random bench after a night in out in Ibiza #prattfall

24/01/2013 10:36 RT @Skeazy\_McBeezy: @spencerpratt - someone else's eyes staring into my soul as I slept. Talk about #creepy :3 #prattfall

24/01/2013 10:38 RT @ChloeSmith0603: @spencerpratt My ex-boyfriend using my hair straightener to straighten his hair...:/ #prattfall #awkwardturtle #met ...

24/01/2013 10:40 @ChloeSmith0603 I like the new pic, btw. You and @SarahAnneJoulie have both switched them since I met you. Lovely.

24/01/2013 10:45 '@lizamcfc87: @spencerpratt ohhhh too embarrassing #prattfall' Try. Choose some small, concrete detail you remember.

24/01/2013 10:57 @daintydream Don't forget the hashtag #prattfall. It helps for collecting the tweets later.

24/01/2013 11:04 Keep playing #pratfall today. N.b., my days are numbered (2). I will carry on here: @tempspence. Prev. Games are at <http://t.co/zBEUQi7m>

24/01/2013 15:59 @StephanyCollin1 it was as rough as this morning. Now I'm back at square one. No way of contacting Duessa. May have had tea with her bf.

24/01/2013 16:01 Today's game was inspired by it: in #prattfall, you describe the first thing you saw when you opened your eyes on your worst morning after.

24/01/2013 16:10 @StephanyCollin1 Really it's more like square 0 or -1. I've got to think about It. She was so great about the phone & me tweeting but...

24/01/2013 16:12 I still feel like I have no idea who Duessa even is. The party? The bf? It's all foggy.

24/01/2013 16:13 I have spent the afternoon reading online RPF, Real Person Fiction, that her bf told me abt. This stuff is brilliant. Una would love it.

24/01/2013 16:26 RT @stephanie\_rgh: @spencerpratt The face of a man, who the night before had always been just a friend #prattfall

24/01/2013 16:54 @lisa\_thomas31 yes, I think it is sad. I am an unknown poet , obscure in every way, but if I make myself known, all is lost.

24/01/2013 16:56 @sven111 don't forget the hashtag. #prattfall

24/01/2013 16:59 @courtneymcbainX Courtney, I am following those who play the games.

24/01/2013 17:05 @courtneymcbainX Courtney, I am following those who play the games. #prattfall #imspencer #shibboleth #mycbb #twouplets etc.

24/01/2013 17:13 Assuming there are no consequences, after Saturday you can follow me or unfollow me @tempspence

24/01/2013 17:16 @courtneymcbainX you can read abt the old games here: <http://t.co/xuUQoUaG> search the hashtag for directions to the current game #prattfall

24/01/2013 17:18 @angie\_hunter\_ @tempspence yes, of course, I am going to return the phone. As they say, no fiction, no foul!

25/01/2013 5:09 Who's up? Any of the @tempspence poets? Can't sleep. My last day has dawned & so I don my mask one last day.

25/01/2013 5:11 @summerdanielle2 Good morning to you!

25/01/2013 5:16 @CesuRomero I am a dead Pratt walking, I guess you would say. My last day as @spencerpratt. After this, I'll just be @tempspence

25/01/2013 5:22 Okay. a final game: the CBB celebs represent parts of all of us. We have an inner Rylan, Razor, Claire, Frankie, Lacey, etc. & Speidi!

25/01/2013 5:26 For this last game: Tweet about one of your inner CBB housemates. Advanced poets rhyme with some1 else's tweet & reply. Hashtag: #jungbro

25/01/2013 5:28 #jungbro stands for Carl Jung meets Celebrih Big Brother. Jung's anima/animus explain those who inhabit our individual big bro homes.

25/01/2013 5:29 @deycallmeGee @tempspence That remains to be seen.

25/01/2013 5:38 @LABarbie\_xoxo you have one more opportunity in #jungbro, or you can play later with @tempspence at the new account.

25/01/2013 6:38 #jungbro is the current game, but on this last day, feel free to play any old ones: <http://t.co/zBEUQi7m> also #imspence #prattfall

25/01/2013 6:40 I will RT, favourite, & Follow those who play the games well!

25/01/2013 6:52 Over the 3 weeks I've been @spencerpratt, people never cease to request follows. It's a simple exchange: play the games & I shall follow.

25/01/2013 7:10 RT @1sugarnomilk: @spencerpratt stark against the blushing sky, with a twist of lemon and lime.silhouette of a sparrow, watch him as he ...

25/01/2013 7:17 @kyle\_clarke\_ that game works a little diff. In #jungbro, you write about a part of you as one of the cbb players: inner razor, inner rylan

25/01/2013 7:23 @kyle\_clarke\_ sure. My inner Razor is better than fibre when I am stopped up bc it scares the shite out of me. #jungbro

25/01/2013 8:01 RT @ShanaBraff: @Spencerpratt Higher than a mountaintop soaring ever onward, to the azure to which I'm lured, Never fearing the drop #ek ...

25/01/2013 8:10 So after reading all that RPF, I had this idea. What if I wrote some real person fiction about my life as @tempspence & gave it to Una?

25/01/2013 8:11 I mean, I could explain to her through the form she loves (fanfic) what I was thinking, show her I'm not the Pratt she thinks I am.

25/01/2013 8:17 @MUTHAEART you must look deep inside your crowded inner house: is there a Rylan or Claire ready to sing? A Razor ready with a wisecrack?

25/01/2013 8:23 @ianthebrush There you are! We need to talk! DM, ok?

25/01/2013 8:35 @DaynahRose @tempspence I AM making up my mind, I think. Even tho Duessa was all over Spencer's phone, Una seems to be interested in me4me.

25/01/2013 9:18 I've begun work on some RPF with the @tempspence poets. Maybe this will be all it takes to win Una. We shall see.

25/01/2013 9:32 RT @SeanHowitt: @spencerpratt I see you finding the phone as a scene similar to Bilbo stumbling across the ring in The Hobbit. The phone ...

25/01/2013 9:47 @nemi87 @tempspence Una is the clever, inked, & tattooed lass from the bookshop, writes fanfic. She was unimpressed w me using this phone.

25/01/2013 9:52 Are there any reality tv shows abt poets and poesy?

25/01/2013 9:58 Reminder, as I pack my bags, you can follow @tempspence in the new account & see games here <http://t.co/zBEUQi7m> xxooxx

25/01/2013 10:04 This is the real Spencer. I want to say I forgive this poet fellow for all he did on my phone. Actually, I think he's kind of brilliant.

25/01/2013 15:21 All right. Fine. Maybe that wasn't Spencer. What do you expect? I'm getting nervous. My inner Rylan is going on a cursing spree #jungbro

25/01/2013 15:24 1 more day for you to play any of the @tempspence games listed here: <http://t.co/wVBDLuf8> for a RT, fav, or follow.

25/01/2013 15:33 I also wanted to ask your input on my romantic decision between Una & Duessa. I'm not entirely certain that was Duessa's bf yesterday.

25/01/2013 15:36 RT this if you think I should keep writing my Real Person Fiction with the poets, present my story to Una, & try to prove I've changed.

25/01/2013 15:40 RT this if you think I should keep trying to find Duessa, since she seems to like all my antics with the phone. Plus she's a poet!

25/01/2013 16:23 '@michaelmu: @spencerpratt Definitely Duessa..' really? You seem so sure.

25/01/2013 16:35 @michaelmu well, it's not obvious to me. I'm a man of reason and, er, passion so persuade me!

25/01/2013 16:51 @eggnogfog Love is a game. And if you don't want to win, why are you playing the game?

25/01/2013 17:14 RT @michaelmu: @spencerpratt You seem to connect with Duessa on a personal level.. Like the puzzle piece fits. I have a good feeling abo ...

25/01/2013 17:16 @TalanLautner in the #imspencer game, you tweet & tag something you wabt @spencerpratt to tweet. Did you want me to say this?

25/01/2013 17:41 @michaelmu you realize she gave me a fake number and ditched me at some fellow's house, possibly her bf?

25/01/2013 17:42 I'm just concerned that Duessa's fascination with the phone is another sign that she's not really interested in me-me, just the spencer-me.

25/01/2013 17:54 @michaelmu IDK. I've been working on some RPF with the @tempspence poets to present to Una. Might just win her fanfic-writing heart.

25/01/2013 18:13 '@sven111: @spencerpratt it's the you not the Spencer you that's intriguing' This is my greatest doubt. Who is @tempspence w/o Spencer?

25/01/2013 20:17 One hour till the cbb finale. One more hour before I learn my fate. I'm headed to the bookshop & Una. The poets & I have a gift for her.

25/01/2013 20:17 Cbb is life. Tweet about some1 you live with using the name of a cbb contestant. I'll RT & maybe follow my favs. Use the #mycbb tag

25/01/2013 20:19 Here's the story the @tempspence poets & I wrote for Una. It's Real Person Fiction. We wrote it this morning <http://t.co/zBEUQi7m>

25/01/2013 20:20 Instead of writing the story about Spencer, we wrote it about me, about what my life has been like since I found the phone. @tempspence

25/01/2013 20:22 Maybe if she sees me writing as me together with the @tempspence poets, she'll see I'm turning a new page, a new Tweet.

25/01/2013 20:30 Mind you, I am following the will of the people cbb-style. Twice as many of you voted for me to pursue Una as Duessa. So, to the bookshop!

26/01/2013 8:19 @spencerpratt yesterday, I thought the crazy was over, when I opened my eyes to the cbb house for the LAST morning! Apparently not.
