Spencer Pratt Loses His Christmas Present From Heidi Montag On 'Wild' New Year's Eve

The star has lost his new phone in London

By [Lucia Binding](#) On January 2, 2013

Rumoured *Celebrity Big Brother* contestant [Spencer Pratt](#) [↗](#) has already lost his Christmas present from wife Heidi Montag, it has been revealed.

But whereas losing some Christmas presents may be a blessing in disguise for some, like those hand knitted socks from your nan, Spencer managed to lose his new mobile [phone](#) [↗](#) from Heidi in London somewhere.

Heidi is less than happy about it, as Spencer lost his phone while partying in London town for New Year's Eve. And it looks like he can't handle too many pints of English ale, judging from Heidi's latest tweets.

"Another wild NYE! So wild Spencer can't find the new phone I got him for [Christmas](#)," she wrote.

With numbers of all his [celeb](#) pals including Brody Jenner, Spencer's phone is currently knocking about London, and it could be anywhere, so Heidi believes.

"Since we've been here, we've seen: Big Ben, London Bridge, Buckingham Palace, went ice skating, and played in red phone booths and taxis," she went on.

She added: "So basically he could've lost it anywhere in the UK. I know it'll turn up but I have to give him a hard time about it! :)"

But don't worry Heidi, mobile phones aren't allowed in the [Big Brother](#) house!
